## Authorization approved

By a 26-to-5 vote at the July 19 board meeting, members authorized pursuing sales of the club's undeveloped acreage as 3-acre residential building lots for \$19,500 each.

Next steps include:

- Established a **Residential Building Lots Sales & Homeowners Association Development Committee** to research and present a concept to the board for HOA covenant and review building lot layouts. Michael Freisberg, Kerry Gorby, Tim Bryan and Frank LaForge are members, with an opening for another general member.
- Established a **Strategic Planning Committee** to work on a long-range financial spending plan. Initial members are Andy Allen and David Young, with openings for one board and two general members. An initial member survey indicated paying off debt is a top priority,
- Lot location, placement and number will be roughly plotted and mapped after the acreage has been hayed/brush hogged. Surveys will not be conducted until a purchase contract is submitted.
- Members interested in purchasing a lot should contact Criss Davis or Tim Bryan. They can participate in a walkabout to rough measure lot lines. Members will have 30 days after the land is plotted to put in a sales contract.

For additional information on next steps, meeting discussion, initial road access plans and clarifications, refer to the board meeting minutes posted on the clubhouse bulletin board and on the caneygolf.com/membernews website.
