Dear Donor,

Impacting Youth Through YESHUA (CHRIST JESUS) LOVE

Destined To Succeed Mobile Mission, Inc. is a non-profit, faith-based humanitarian aid organization which specializes in world class character preparation and innovative mobile basketball/fitness/educational/ performing arts camps. We meet our underserved youth friends in targeted areas in their neighborhoods! (USA, and Globally) These camps are FREE!!!!!!

Our mission is to empower these youth to become productive, self-sufficient members of our society. We provide (CALL- Character, Academic, Love, and Leadership), and financial literacy developments sessions. In these CALL sessions, we encourage these youth to pursue their dreams and aspirations. We win and aim to solve issues in decreasing hunger, peer pressure, bullying, increase self esteem, depression, promote abstinence to decrease teen births, provide drug awareness programs to decrease drug and alcohol consumption, educate importance of staying in school to decrease dropout % and achieve academic excellence, and promote a healthy active lifestyle to decrease obesity.

In order to reach targeted youth for this so desperately needed program our agency is seeking the assistance of area businesses in securing donations and vehicles, please **SEE LIST BELOW**. Since a high percentage of the youth served are from low-income, poverty stricken families, it is imperative that we join together to assist them in gaining the education, mental stability, and personal accountability they need to become successful productive adults. WILL YOU DONATE? Your tax-deductible donation will go towards our goal for this campaign, which is \$1,000,000. We hope you will support our efforts.
