

Hello Members

A lot's been happening at your Lodge...

There has been a lot of activity at the main lodge since the last update. Things are moving quickly and slowly at the same time. There are unexpected challenges that we are working through. Please understand that we are doing everything we can to open the lodge. We will pass on any updates as soon as we can accurately do soon.

MOOSE INTERNATIONAL

The Moose is a fraternal and service organization founded in 1888 with nearly one million men and women working together in roughly 1,600 Lodges in 49 states and four Canadian provinces, plus Great Britain. Along with other units of Moose International, the Loyal Order of Moose supports the operation of Mooseheart Child City & School, a 1,000-acre community for children and teens in need, located 40 miles west of Chicago; and Moosehaven, a 70-acre retirement community for its members near Jacksonville, FL.

Additionally, members of the Moose conduct approximately \$70 million worth of community service (counting monetary donations and volunteer hours worked) annually. The Loyal Order of Moose organizes and participates in numerous sports and recreational programs, in local Lodges and Family Centers in the majority of 44 State and Provincial Associations, and on a fraternity-wide basis. Lodges across the Fraternity are known for creating life-long bonds between members through activities and a shared concern for children in need, seniors and the communities in which they live.

A message from the Business Manager

Our Chicken and Dumplings fundraiser was very successful. We would like to thank VMA District 8 for their generosity, Chesterfield Moose Lodge 1980 for their hospitality, to all Moose members who helped with the cooking process or bought/sold tickets. We would especially like to thank Mark Marshall, Sr for his expertise and time. We will be planning more fundraising events in the future and will keep you posted.

Thank you to everyone who donated to the "Rocker Fund" last month. Even though the lodge is not open, we continue to do Moose work for our children and seniors at Mooseheart/Moosehaven.

Spring always brings new beginnings... We are excited about the next few months and can't wait to see members and guests in the lodge enjoying everything everyone has worked so hard for.

Thank You
Dianne Waldron

A message from Mike Rios

We are getting excited about the renovations at the lodge and we look forward to our target opening date around May 1. Why is it taking so long you may ask? We want to ensure the total safety and comfort of our members and guarantee a memorable experience each and every time you visit the lodge. Yes, we've had our share of challenges but I am confident that you will be very proud of your lodge once complete. Thank you for your patience and understanding and we look forward to sharing many memorable events together at the lodge well into the future.
