MOOSE INTERNATIONAL

The Moose is a fraternal and service organization founded in 1888 with nearly one million men and women working together in roughly 1,600 Lodges in 49 states and four Canadian provinces, plus Great Britain. Along with other units of Moose International, the Loyal Order of Moose supports the operation of Mooseheart Child City & School, a 1,000-acre community for children and teens in need, located 40 miles west of Chicago; and Moosehaven, a 70-acre retirement community for its members near Jacksonville, FL.

Additionally, members of the Moose conduct approximately \$70 million worth of community service (counting monetary donations and volunteer hours worked) annually. The Loyal Order of Moose organizes and participates in numerous sports and recreational programs, in local Lodges and Family Centers in the majority of 44 State and Provincial Associations, and on a fraternity-wide basis. Lodges across the Fraternity are known for creating life-long bonds between members through activities and a shared concern for children in need, seniors and the communities in which they live.

A message from the Business Manager

"Action and reaction, ebb and flow, trial and error, change - this is the rhythm of living. Out of our over-confidence, fear; out of our fear, clearer vision, fresh hope. And out of hope, progress."

- Bruce Barton

Progress and/or change can be an intimidating process sometimes but can also be very rewarding. I know everyone has been patiently waiting for the lodge to open, please know we are doing everything we can to open the doors. As soon as we have a better idea of a time frame, we will send out information. Until then we do have some exciting news to share. The cafe is open now serving food and beverages. You DO NOT need to have a pool memberships to visit the cafe. Please support this part of your lodge.

Thank You

A message from Cliff Archer

Greetings Antler Lodge Members,

Happy New Moose Year! For those of you that are new members our fiscal year is from May 1st to April 30th the following year. I'm proud to let all of you know that 53 people have joined the Antler Lodge during this past moose year and we now have a total of 178 members.

The Pool House/ Activity Center has been open since last October and we have quite a few members that have pool memberships and they use the pool quite frequently as well as the gym. I'm happy to tell you that the kitchen will now be open to serve food and beverages of all types (soda, water, beer, wine, and wine coolers) starting May 1st and we will also have 6 gaming machines for your enjoyment.

The main building is still under construction and we hope to have everything completed by the end of summer. Obviously, we wanted to have the main building opened earlier but we had a few unknown challenges to address. I want all of you to understand that even though we probably could've taken short cuts to address these unknown issues and could've been opened earlier but that isn't the way things will be handled. We want all of the members to know that this facility will be a safe environment not only for them but also for their family and their guest; we spare no expense when it comes to that particular topic. I'm sure when we have our grand opening you will be impressed with the new social quarters and kitchen and understand why the time was taken to make sure everything is as perfect as possible when you see it for the first time.

The lodge is planning a membership steak dinner at the Activity Center May 20th. See the flyer in this newsletter for more information.

We hope to see even more members visit the Activity Center now that we are in full operation, but please be patient as the staff is still trying to work out all of the kinks that come with new operations. If you would like to hear updates and future events of the Lodge or Activity Center please join our text messaging list.

Thank you for all of your continued support and looking forward to seeing all of you.
