

Hello Members

A lot's been happening at your Lodge...

Thank you to everyone who came out for the Membership Steak Dinner on May 20th. The food was delicious and it was so nice to see everyone enjoying themselves.

The renovations at the main lodge are moving along nicely. Thank you for all your patience while we continue to work on getting the lodge ready for you.

MOOSE INTERNATIONAL

The Moose is a fraternal and service organization founded in 1888 with nearly one million men and women working together in roughly 1,600 Lodges in 49 states and four Canadian provinces, plus Great Britain. Along with other units of Moose International, the Loyal Order of Moose supports the operation of Mooseheart Child City & School, a 1,000-acre community for children and teens in need, located 40 miles west of Chicago; and Moosehaven, a 70-acre retirement community for its members near Jacksonville, FL.

Additionally, members of the Moose conduct approximately \$70 million worth of community service (counting monetary donations and volunteer hours worked) annually. The Loyal Order of Moose organizes and participates in numerous sports and recreational programs, in local Lodges and Family Centers in the majority of 44 State and Provincial Associations, and on a fraternity-wide basis. Lodges across the Fraternity are known for creating life-long bonds between members through activities and a shared concern for children in need, seniors and the communities in which they live.

There has been lots of activity at the Lodge. The renovations are well underway and I assure you we are doing everything the right way which has caused some delays that were beyond anyones control. I know everyone is patiently waiting for the Social Quarters to open. I can say with great confidence that you wont be dissappointed.

Just a few reminders: Please see the Activity Center rules included in this newsletter. These rules are to ensure everyones safety. If you have any concerns or questions, please see me directly.

The cafe is open for food and beverages from 11:30 - 2 pm and 3 - 5:30 pm. Please stop by and have a meal, gather with friends, or enjoy a cold one. Please check out our daily specials on the following pages. **You do not have to have a pool membership to visit the cafe or game room. Please come out and support your lodge.**

A message from Larry Meade

Hello and thank you to all our members for your understanding as it relates to The Antler Lodge's social quarter's opening. We had the option of opening quick, or, opening right. Our member's safety and enjoyment are paramount to having The Antler Lodge become a place of social and entertainment value for you all to enjoy. Since this journey began in September 2021, we have run into many things that needed immediate attention: brand new HVAC units for both buildings; new, safer and more efficient electric service; renovations of the offices and social quarter's, just to name a few. We are currently reconfiguring the kitchen to provide excellent food service and designing the social quarters into a new and modern social space. There are also plans to enclose the side porch which will create a cozy area to relax and eat in.

Rest assured, we are being compliant with all necessary agencies and departments so that when we do open, the only thing you will have to do is to enjoy yourselves and our amenities.

All of us here at The Antler Lodge appreciate your patience while we are getting closer to opening which is anticipated in the next very few months. Stays tuned to our text blasts and visit our Facebook page for continued updates and we look forward to welcoming you to our new space! You won't be disappointed!
