## Why Choose us

We are proud to have created a caring and stimulating environment where children can learn in a fun and imaginative way.

Our qualified and experienced staff teams plan the warm and welcoming environments which provide the experiences from which children learn.

We welcome children from the age of eighteen months to five years and we recognise that they all have very different needs, based not only on how old they are, but also on individual personality and ability.

Our aim is to help each child meet their full potential, academically, socially and emotionally. We believe that if children feel happy and secure, they will learn and grow as individuals.

## Our Curriculum

At Little Explorers Nursery, we believe that children learn best when they are having fun.

Children take part in planned and child initiated activities daily, which support children's learning and development. We provide learning opportunities in line with the EYFS that strengthen the child's physical, emotional and social skills.

Our all-inclusive unique learning programme incorporates the Statutory Requirements and an exciting range of Extra-Curricular Clubs creating a strong foundation, preparing your child's for school.

**Specialist coaches come into the nursery to teach the children Spanish, Gymnastics and Drama.**

## Meal times

We take great care to provide children with nutritious and wholesome vegetarian food, prepared by external fully qualified professionals.

We serve three meals a day:

- Breakfast, which comprises of a selection of cereals
- Two-course hot lunch
- Warm tea

We cater for special dietary requirements. The main courses are always served with vegetables/salad to ensure children get all the vitamins and minerals they need to stay healthy. Children also enjoy fresh fruit, vegetables or savoury foods for mid-morning and mid-afternoon snack.

Milk and fresh water is always available.

You are bound to feel a little apprehensive about leaving your child at nursery for the first time – every parent does. That is why it is important that you are completely comfortable with the child care you choose.

Ongoing communication ensures we are able to strengthen the ties that connect your home with our nursery. Practitioners give honest, detailed information at the door about your child's day. We use an online app - EYLog, to provide daily diary updates and weekly observations to chart your child's progress against the Statutory Requirements.

We will also hold parent coffee mornings and parent consultations twice a year to ensure that we are working together to meet key developmental targets for your child.

## Registration and Fees

Our session fees include all meals.

- **MORNING SESSION** (From 1pm to 6pm) £45
- **AFTERNOON SESSION** (From 1pm to 6pm) £45
- **FULL DAY SESSION** (From 8am to 6pm) £75

We accept Government Funding for children from 9 Months Old. Meals and extra-curricular activities are chargeable at the following rates:

- LUNCH £4
- TEA £2
- EXTRA CURRICULAR ACTIVITIES £5
- BREAKFAST/SNACKS £1

We will do our best to offer you a place in line with your preferred sessions and start date. Once a child's place is confirmed there is a non-refundable registration/waiting list fee payable of £50.00 per child and a refundable deposit of £100.

We look forward to you and your little one joining Little Explorers Nursery.

## Reviews

"Thank you and all your team for their great work. Since my child joined this Nursery I have seen massive improvements. I have mentioned this many time at play groups to which my children go."

- Sajida

"My son have attended Little Explorers Nursery since July and it has been such a pleasant experience with the entire team. He was not talking much when he started, just very little gestures and pointing communication, however in just few months he is able to talk a lot more and have learned all his teachers names.

The nursery has an online app where they enter details of your child's activities along with pictures which was brilliant. He also had an assigned mentor who would kept track of his progression which was recorded and communicated with me. They also share what kind of day he had during pick ups. Even though we were/are going through a pandemic, the nursery made sure the appropriate precautions were put in place.

I would like to thank the entire team for all your hard work and support throughout. Me and Bilal wish you all the best and will always remember you."

- Ayan Sabie

My daughter is happy at Nursery which is very important for me. She has flourished since starting here.

- Anonymous

"My daughters have been at LE since they were 16 months. it has been such a brilliant learning adventure for them. They have learnt so much and come home every day sharing a new skill. The smiles on their faces when they have to go to nursery just tells you how lovely it is and the friends that they have made. The staff are very nurturing and pleasant, they provide feedback, give ideas and I will surely miss them when my daughters leave to go on their school adventure. I highly commend this nursery to anyone."

- Preksha Patel

"My little one had been at little explores for nearly a year and I can't rave more about this place. At 12 months, we started her in and as first time parents were very worried she would not settle in well. She has thrived!

She has days/ weeks where she doesn't eat much or sleep much, but that's part of the parcel with a toddler. The staff have shown they will go above and beyond working with us to resolve it as quickly as possible (to the point , i now ask for tips! )

A lovely team, and wonderful management members that strive for excellence with the children and their development.

I have not looked back since and can only thank the team from the bottom of my heart on all the care and love they show my little one."

- Bijal

"We love this nursery! My son has improved in all areas since starting here. All of the staff are so lovely, they really care about the kids and it shows because my son is so happy to go in everyday.

They have excellent extra curricular activities that my son loves doing. Staff here are engaging, proactive, professional and friendly. I'd highly recommend Little Explorers!"
