

CHRIST IS KING

Psalm 2:6-8

Ask of Me, and I will give You the nations for Your
inheritance, and the ends of the earth for Your possession.

Transformed

By Matthew Dragoun

2 Corinthians 3:18 But we all, with unveiled face, beholding as in a mirror the glory of the Lord, are being transformed into the same image from glory to glory, just as by the Spirit of the Lord.

Moses, the servant of the Lord was a minister of the Old covenant and his ministry was fading. When Moses met with the Lord even though the glory reflected by him was that of the Lord, it faded because it was only skin deep. Followers of Jesus have a glory in them that's ever-increasing. For us, the glory we are possessed by is the Holy Spirit who is eternal. This glory is the experience of salvation available in the New Covenant and mediated by the Spirit who leads Christians from justification through sanctification to glorification. We are able to look at, to focus on, to contemplate, the glory of the Lord with the veil removed. We are all involved in a process that is not fading in any way. Rather we are continuing to be changed, transformed, the same word used of Jesus on the mount of transfiguration. Something is happening to us that is from the inside out. We are transformed radiators of the glory of God. He is the one that is transforming you, changing you from glory to glory. The glory Moses experienced faded with time. The glory we experience grows more intense with time. This all happens while we behold Him, the Lord, as in a mirror. When we look in a mirror, we don't just see His reflection, we see Him. When the Bible makes a reference to a mirror it is referring to the word of God. When we look into the Word of God we will see the work that Jesus is doing in us. We can see Him working in our lives; we can behold Him as He works in us by His Spirit to take us from this glory to the glory to come.

The working of the Holy Spirit in you is to make you more like Jesus. We have the privilege of bearing His image to the lost world around us. We know that when we see Him we will be like Him. For now we are in this process, by His amazing grace, for others to see. The Spirit is working His word into our lives continually. When others look at you are they seeing Jesus? You are transformed, image bearing, radiators of the One and only One who receives glory. All glory belongs to Him! His glory is all we need to ever behold!
