## ***The Director's Cut*** by Jorge Hernandez, PHM Executive Director

Our cover page shows a picture with the title of "An Awakening to God's Love". What a concept we have, our God's love. No religion offers a god that loves his people as our God of the Bible does. The Bible says, God is love (1 John 4:8,16). How much does He love us? Well, He gave us 'Freedom', which led us to become imperfect beings. We turned love to hate, spite, and jealousy. We further turned against our brothers, our sisters, our neighbors and against our God.

God then turned His love for us into true love. He loved us so much, He desired fellowship with us so much, that He sent His Son into this world to die in our place. Jesus is our example in love. As He is, so should we be. Loving. Through Jesus Christ, our love is made perfect. We fear not of judgment at the seat of God, for our price has been paid by our Savior. He now dwells in us and now we are secure. His amazing love shows in our fruit and His Spirit in us is manifested in love. Our event, "An Awakening to God's Love" will feature a local lineup of worship teams. We will also have some great testimonies from people who have been healed from evil, from pain, from addiction and more. Only Jesus saves! Come join us for an amazing afternoon and see how awesome our God's love truly is.
