A Word from the Board

By Matthew Dragoun-PHM Board Member

As Jesus' ministry was to seek and save that which was lost, He calls those who are found and saved by Him to be an influence for Him in the lost world around us. In the Sermon on the Mount, Jesus spoke of the importance for us, as His followers, to be salt and light in the world around us. Matthew 5:13-16 says, "You are the salt of the earth... You are the light of the world." In those days, salt was used as an antiseptic or purifier. When a soldier was wounded on the battlefield, he would put salt on the wound to purify it and start healing. Salt was also a preservative that would be applied to fish and meat to kill germs and keep them from spoiling. And when salt is used with food it causes the consumer to be thirsty. I'm sure the Roman movie theaters covered their popcorn in salt so that drink sales went up. As followers of Jesus, we are the saltiness that the world needs for purifying, preserving and to make them thirsty. The darkness in this world is pretty thick and widespread. You can see the darkness in the lives of those who don't have the light in them. They are completely enveloped and consumed by darkness and disoriented because of it. They need the light of Jesus to shine into their lives. One of the defining qualities of light is that it appears in crystal-clear, definitive contrast to the darkness around it. Another quality of light is that it distinguishes surroundings, bringing clarity. If you choose to shine your light in a dark world, other people close to you will begin to see their own life, calling, and purpose more clearly. This year's theme for NightVision is "Salt and Light" because we desire to encourage you to be such an influence for Jesus. There's probably someone that comes to mind when you think of who the Lord will use you to influence. Why not invite them to NightVision to see and hear for themselves just how much Jesus loves them?
