

Dear Potential Partner,

We are asking you to become a partner of the Home Again Residence Adopt-A-Room Campaign to benefit our Transitional Housing Program. Concerned Citizens For A Better Algiers is a nonprofit organization that receives housing funding for the residents we service. Over the past few years, funding has been drastically cut due to budget cuts locally and nationally. Currently what we receive in funding is not enough to accommodate the much-needed daily necessities for our residents.

We realize that not everyone can write a big check for \$5,000. So, we have created the “Share the Love” Sponsorship Campaign. This is a way to bring people together to help adopt a room at Home Again and help the residents with the necessities that are not afforded to them. Our “Share the Love” Adopt a Room Campaign is to help us maintain and provide necessities for the residents who live in the facility. The campaign will allow individuals, businesses, and organizations to adopt one of the rooms in the facility. When a room is adopted there will be a list of needs provided in regard to the specific room they have chosen. Donations can be made for monetary support on an annual or semiannual basis to a specific room to supply what is needed. Each year the rooms will be reevaluated, needs determined, and then be adopted out again to new individuals, businesses, or organizations.

Please join us in helping others have a safe and beautiful place to heal and recover from their circumstances that brought them to Home Again in the first place. When a person donates from their heart what they can, it doesn't take long until one, two or more rooms get adopted. This is a way to get the community involved and aware of the programs we offer. Our goal is to raise as much money to cover the cost for the much-needed items for a resident’s room. Items mostly needed are as follows:

**Toiletries**  
**Shower liners**  
**Bed Linen**  
**Mattress Covers**

**Towels**  
**Televisions**  
**Monthly Cable Service**  
**Monthly Water Dispenser Service**

**Our goal is to acquire enough donations in 6-month increments by implementing the following:**

- **100 individuals donate \$50 each that is \$5000 that will cover the cost of the items listed above for 6 months**
- **50 businesses around the community donate \$100 that is \$5000 that will cover the cost of the items listed above for 6 months**

Remember, you don't have to have big pockets to “**share the love**”. You can share the love by donating toward our resident sponsored rooms. For more information about getting involved, call our Business Manager, Millie Sarpy at 504-362-1066 or visit our website at [www.ccfabanola.org](http://www.ccfabanola.org)

Respectfully,

Shantrice Norman Dial  
Executive Director
