Heartland Travelers June 2022 Rally -- Fairgrounds Park (Hutchinson, Kansas)

Hosts: Stepanek, Scott

The Kansas State Fairgrounds is huge and reservations are not needed. When we arrive we'll select an area to congregate in. The local FMCA area group was contacted and they sent the following recommendations of things and places of interest.

Hutchinson is a good place to visit if you have not been there before. Top of my list is the Cosmosphere and the Strataca salt mines. They also have a very nice downtown area not far from the fairgrounds with lots of unique shops. Don't miss Smith's Market. There is a lot of Amish influence in the area and several museums related to their settlements here. Yoder has a nice market and restaurant that is Amish run I believe. Have fun.

FMCA International Rally 2022 -- Lancaster Event Center Fairgrounds (4100 N 84th St, Lincoln, NE 68507)

The FMCA International Rally for Fall 2022 is being held in our area at the Lancaster Event Center in Lincoln, Ne. This is a excellent opportunity for our chapter to step up and show our support for the FMCA Rally by attending this event. Also, it would be good for us to volunteer to help in anyway we can as it takes a lot of people to put on the rally. We are looking for specific volunteer options and will be presenting them to the group as it comes together. Registration for the rally will be done on the www.fmca.com website. When you register there are a couple of questions regarding your chapter affiliation. Be sure to put our group name in those areas. We will be camping together as a group. As you register please email rallymaster@heartlandtravelers.com and let me know you have done so.
