Canadian Chapters Cyber Security Conference

» We collaborated with Canadian chapters to build and deliver our first Canadian ISC2 chapters Cyber Security conference in October

» Attended by over 500 participants across Canada

- 16 speakers
- 3 presentations
- 3 panel discussions
- 1 fireside chat
- 2 tech spotlights

» 5 Chapters collaboration: Toronto, Ottawa, Atlantic, Alberta and Montreal

» Special Thanks to Michel Arredondo for leading the effort from the Montreal chapter.

Added Value

» Chapter members were provided passcodes to attend the conferences for free.

- April 6: FutureCon Cyber Security Conference (Montreal)
  - Free tickets for our members
- June 13: CS4CA Summit Canada (Calgary)
  - Free tickets for our members
- July 11: CS4CA World Summit (Virtual)
  - Free tickets for our members

Online Presence

» We introduced the following:

- LinkedIn page with periodic postings and announcements with +190 followers
- New YouTube Channel for recorded events
- New EventBrite Channel to promote activities and talks

» These helped us be more visible and recruit members as well as increase the attendance of our events.

» Special Thanks to Joseph Martinos for making this happen!

Online Presence

2023 Chapter Achievements

» Throughout our work, we were able to:

- Meet ISC2 requirements and remain in good standing with over 50 paying members
- Increase our chapter's prominence
- Collaborate with other regional chapters
- Gain support from commercial organizations
- Improve our online presence and visibility
- Provided members with access to conferences with the help of sponsors
