Virtual Learning/School Program

SideKick Karate of Salisbury is proud to announce our new Virtual Learning/School Program. Regarding the schedule changes of fall 2020 Rowan/Salisbury School System, our community has expressed an interest in SideKick Karate providing this program for ages five and up.

To make this program a great success, we have added a 12-year veteran teacher, Mrs. Shannon Everhart, to our virtual learning/school program team. We welcome her creativity and expertise. She is also a karate parent of two children, both who will attend the virtual learning/school program and after-school program. Her son has achieved his Screaming Eagle Black Belt and is currently a solid gold belt.

SideKick Karate's very own, Sensei Hunter Poston, will work with Mrs. Everhart to accomplish the preset academic goals for each student. Sensei Hunter has been involved with our after-school program since its inception in 2017. He is a 2nd degree black belt.

Owners of SideKick Karate, Ricky and Edie Smith, look forward to working with our team members to accomplish a structured learning environment, which is in demand during this irregular school season. We thank you and appreciate your support.
