We hope you will join or renew your membership in the Monrovia Historical Society to help us continue growing. We need your help preserving and repairing the Anderson House Museum so that it can be enjoyed by future generations. We are proud our Legacy Project has put our City Historians' collections online. But there is more work to be done.

You can pay online at <https://monroviahistoricalsociety.org/join> or send your membership with a check payable to the Monrovia Historical Society.
