## Week of February 16, 2026

*The Council Service Territory Volunteer Leadership Newsletter is an official weekly digest of information for key local council and council service territory volunteers from multiple official Scouting America sources. Learn more about the items that may be important to you and **please share appropriate content with other Scouters**.*

### National Exploring Live Hour

The National Exploring Live Hour is a monthly Zoom video conference that will help engage and equip Exploring volunteers and professionals to grow, support, and learn more about Exploring. Each month the National Exploring Live Hour will be led by the national Exploring program chair and the national director of Exploring. The next Live Hour will be on *March 11 at 1:00 pm Central*. The topic is “Exploring Explosion (Growth Strategies).” Register [here](#) and see more [here](#).

### Family Troop Model for National Youth Leadership Training

National Youth Leadership Training will retire the use of the Linked Troop Model and align with the Family Troop Model. Courses that began planning for 2026 under the Linked Troop Model may continue without modification. Beginning *January 2027*, all National Youth Leadership Training courses will operate under the Family Troop Model. Details are included in the *February 1, 2026*, update of the curriculum and the “What’s New with NYLT for 2026 Courses?” document provided to attendees at a Course Director Conference.

### Gift Planning Webinar

The next gift planning webinar is set for *March 5 at Noon Eastern*. The topic will be IRA giving, with featured guest Bill Larson of Larson Financial Group and Service Territory 1. Email invitations will be sent out closer to the date.

### 2026 Catholic Scouting Summit

The National Catholic Committee on Scouting has invited Scouters to the Catholic Scouting Summit 2026, their annual gathering to celebrate, strengthen, and advance the mission of Catholic Scouting across the nation. *April 16 -19* in Wichita, Kansas. Registration may be found [here](#).

### Honor Donors at the 2026 Good Turn Society Reception at the National Annual Meeting

The National Office of Development invites councils to nominate outstanding donors for recognition at the 2026 Good Turn Society Reception, held in conjunction with the National Annual Meeting this May. This special gathering provides an opportunity to celebrate the generosity, leadership, and lasting impact of donors who help advance Scouting America’s mission. See your Scout executive for details.

## **David Montgomery Champions Impact365 During Super Bowl Week**

Last Friday, David Montgomery appeared on Entertainment Tonight to help launch the new Impact365 service initiative, shining a national spotlight on Scouting's commitment to building character through service. See the video [here](#).

## **Merit Badges**

Merit badge pamphlets are getting a modern upgrade. Instead of printed requirement lists inside each pamphlet, Scouts and counselors will now find a QR code and URL that link directly to the latest requirements and information in the Merit Badge Hub on scouting.org. Visit the Merit Badge Hub [here](#). Additionally, 80 merit badges have been updated for 2026. Read more [here](#).

## **Umbrella Movie License for Council Events and Training**

The Umbrella Movie License eliminates the liability exposure for the local council and the National Service Center concerning the presentation of movies or movie clips in connection with council facilities and events, such as camps, camporees, unit movie night, Order of the Arrow events, Wood Badge courses, National Youth Leadership Training courses, or any other activity where a movie is part of the program.
