## **Week of June 23, 2025**

*The Council Service Territory Volunteer Leadership Newsletter is an official weekly digest of information for key local council and council service territory volunteers from multiple official Scouting America sources. Learn more about the items that may be important to you and **please share appropriate content with other Scouters.***

### **Safeguarding Youth Training**

An email with the content below was sent to registered Scouters last week. Many will notice the expiration date of their Youth Protection Training was changed to *May 31, 2026*, if it previously expired after that date.

All volunteers must complete the new Safeguarding Youth Training by *May 31, 2026*. This overhaul is more than a name change. Safeguarding Youth Training introduces updated modules, clearer policies, and a more robust learning experience to ensure every adult in our movement is equipped to protect and empower youth. Log in to your My.Scouting account and click the Safeguarding Youth Training logo on the right of the page to be taken directly to the new course.
