### Council Financial Management Webinar for Volunteers and Professionals

"Financial Strength = Council Strength: Essentials to Know About Your Council's Financial Management" is the first in a quarterly series of four practical elements for every council officer, treasurer, board member, Scout executive, audit committee member, accountant, comptroller, and staff advisor. Scouting America recognizes the need to assist our councils with resources in the areas of fiscal strength and fiduciary best practices. There is always more to learn in the area of finance management and non-profit accounting and audit best practices. By the end of this session, participants will be able to locate and identify the following resources: Review and download job descriptions from the "Council Operations Guidebook"; Be introduced to the "Interpreting Financial Statement Guidebook"; Review two key protocols from the "Fiscal Management Procedures for Stewardship"; Discuss three of the most common audit issues from "Guidebook to the Audit". *February 19 at 2:00 pm Central* - [here](#)
