**Scouting America**

**Prepared. For Life.®**

## **Week of February 2, 2026**

*The Council Service Territory Volunteer Leadership Newsletter is an official weekly digest of information for key local council and council service territory volunteers from multiple official Scouting America sources. Learn more about the items that may be important to you and **please share appropriate content with other Scouters**.*

### **Finance and Fund Development Webinar**

An important National Council Service Territory Finance and Fund Development Committee webinar for local council finance leadership teams, including council board members, council audit committee members, Scout executives, council chief financial officers, controllers, and accountants, will be on *February 19 at 2:00 pm Central*. This concise series will be providing key volunteers and staff with the essentials of fiscal management for Scouting America councils. Join the webinar [here](#) and please share the link with those who will help your council.

### **Thanks for Your Continued Efforts to Safeguard Youth**

Take a look at this note in Scouting Wire from Scouting America's Director of Environmental Health & Safety Tree Kiester [here](#).

### **Bylaws and Articles of Incorporation Webinar**

Over 200 individuals from local councils participated in the first webinar regarding templates to update local council bylaws and articles of incorporation on *January 26*. The next session will be held on *February 12, at 3:00 pm Central*. The content presented will be fairly identical to the first session, though there may be more examples from the field for this session. Council Key 3 members have received a link to the webinar and templates for the new documents. There are significant changes so council leadership is encouraged to review the templates with their council governance committee, council attorney, and/or board and to attend the webinar. Please feel free to forward the *December 16* email and the zoom link as needed.

### **National Venturing Officers' Association Webinar**

If you missed the *January 21* webinar you can still find out what the National Venturing Officers' Association and the Council Support teams are working on. A recording of the recent "All Things NVOA" program webinar is now available on YouTube [here](#).

### **Scouts Read Sacred Texts Worldwide**

Scouts Read Sacred Texts Worldwide is an event to encourage youth to read their sacred texts in conjunction with the U.S. National Day of Prayer. The event, in 2026 during the week of *May 7*, aligns with the values, principles, and spiritual aims of Scouting. It is intended for Scoutmasters, Cubmasters, Advisors, and other adult leaders seeking a simple, respectful way to support a Scout's Duty to God. Read more [here](#).

## **Inclusion Toolbox for Special Needs and Disabilities**

A 2026 version of the *Inclusion Toolbox* has been released. Find the document [here](#).

## **Impact365: Scouting's New National Service Initiative**

Scouting has always believed that service is not just what we do, it is who we are. That legacy continues with Impact365, Scouting America's new multi-year national service initiative designed to inspire Scouts, families, and volunteers to make meaningful contributions to their communities every day of the year. To learn more about Impact365, and a new National Day of Service coming in November, click [here](#) to read more. See a recording of the Impact365 webinar [here](#).
