Making Positive Changes One Step at a Time

June 11, 2024

Dear Prospective Partner:

We are reaching out to you with an exciting opportunity to make a meaningful impact in our community through our upcoming **Back to School Backpack Drive**, and we believe your support could greatly enhance the success of this initiative.

One Step A La Vez is passionate about serving the needs of our community, particularly those of underserved teens and families who may lack the necessary resources to excel in their education. With the new school year fast approaching, we are gearing up to provide backpacks filled with essential school supplies to teens in need. Our goal is not only to equip these children with the tools they need to succeed academically but also to alleviate some of the financial burdens faced by their families.

By sponsoring our **Back to School Backpack Drive**, you will not only be contributing to the academic success of these children but also demonstrating your commitment to social responsibility. We have various sponsorship levels and marketing benefits available for you to consider.

We understand that each organization has its own philanthropic priorities and budget constraints, and we are more than willing to tailor a sponsorship package that aligns with your specific needs and objectives. Whether it's through financial contributions, in-kind donations, or volunteer support, your involvement will make a meaningful difference in the lives of the children we serve.

We would be delighted to discuss this opportunity with you further and answer any questions you may have. Please feel free to reach out to us to explore how we can partner together to make this Backpack Drive a resounding success.

Thank you for your kind and generous consideration to our proposal. Together, we can empower the next generation and create a brighter future for our community.

Respectfully yours,
