History and Background

One Step a la Vez began in 2007 when Lynn Edmonds and a group of teens recognized the disparities and lack of essential services and resources available for working families in Fillmore and the surrounding communities of the Santa Clara River Valley. These teens articulated the need for a safe place to spend time after school and get help with whatever problems they might be facing. Today, One Step A La Vez serves over 100 youth and has become a safe haven for teens to gather after school and obtain access to a hot meal and program activities that help them grow, build character and unlock their potential.

Membership is FREE

Our name "One Step A La Vez" was chosen by teens to remind them to take "one step at a time" toward self-empowerment and pride in their cultural history, roots, and dual heritage.
