One Step A La Vez is a nonprofit youth development organization based in Fillmore, California serving teens ages 13-19 years of age. Its name means "One Step at a Time" in Spanish. The organization provides a safe space and supportive services for teens and young adults, with a focus on empowering underserved youth, especially those who may be impacted by poverty, trauma, immigration challenges, or involvement with the juvenile justice system.

The **Fall Harvest Festival** attracts over 250 attendees each year, including families, farmworkers, and community members. With a variety of activities, including local food vendors, craft booths, live music, and children's games, it's a fantastic opportunity for businesses like yours to connect with the community and showcase your commitment to supporting local initiatives.

We understand that each organization or business has its own philanthropic priorities and budget constraints, and we are more than willing to custom tailor a sponsorship package that aligns with your specific needs and objectives. Whether it's through financial contributions, in-kind donations, or volunteer support, your involvement will make a meaningful difference in the lives of the teens and families we serve.

We would be delighted to discuss this opportunity with you further and answer any questions you may have. Please feel free to reach out to us to explore how we can partner together to make the Fall Harvest Festival a resounding success.

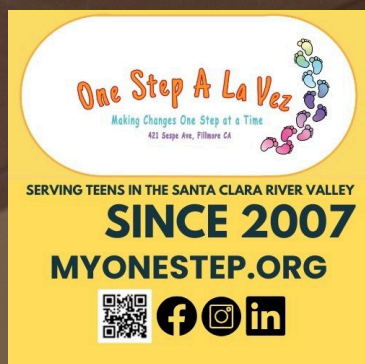

Thank you for your kind and generous consideration to our proposal. Together, we can empower the next generation and create a brighter future for our community.

Respectfully yours,

Pedro A Chavez
