One Step A La Vez is a nonprofit youth development organization based in Fillmore serving teens ages 13-19 years of age. Through a generous and innovative partnership, One Step will be expanding its footprint in Santa Paula by providing afterschool programs and services to support local youth and their families.

For over a decade, **One Step A La Vez** has empowered youth and families in the Santa Clara River Valley through leadership development, mental health support, advocacy, and community-building programs. As we expand our services to Santa Paula, we are committed to strengthening local resources, uplifting youth voices, and fostering a welcoming, connected community.

We provide a safe space and supportive services for teens and young adults, with a focus on empowering underserved youth, especially those who may be impacted by poverty, trauma, immigration challenges, or involvement with the juvenile justice system.

Our *Coming to Town Community Posada* will be a free, family-centered event that blends cultural tradition with community celebration. This gathering will bring together youth, families, local partners, and community leaders for an evening of unity, music, food, and festive activities—all aimed at building strong relationships from the very start of One Step's presence in Santa Paula.

Your partnership will directly benefit local youth and help ensure that every young person and family feels valued and supported. We would be honored to collaborate with you as we launch this new chapter in Santa Paula.

Thank you for considering this opportunity to make a meaningful impact. I would be happy to meet, answer any questions, or customize a sponsorship package that aligns with your organization's goals.

We hope you will join us in building a stronger, healthier, and more connected Santa Paula—one step at a time.

Respectfully yours,

Pedro A Chavez
Executive Director
