ALRC NEWSLETTER • JUNE 2025

BITS *of* **NEWS**

the **PRESIDENT'S MESSAGE**

We hope you've enjoyed all of the events and opportunities we've had to offer over the past year. It's that time of the year again to renew your Alta Loma Riding Club membership. You will be receiving your membership form to renew your membership in June for the membership period of July 2025 to June 2026.

As we've communicated at the February membership meeting and in our newsletter, the City of Rancho Cucamonga has been working to secure a contractor for the Heritage Park Bridge Project. The start date per the City is June 23, 2025 and our parking lot will be closed through February 2026. It's important to note, the equestrian center will be open and access to the arena will be the west trail or from Hillside.

Without access to the parking lot, 2025-26 is going to be the year we focus on investing in our membership and fundraising to redo the clubhouse. After careful planning, we are happy to share some of the amazing programming we have prepared for next year! Take a look at what your Alta Loma Riding Club membership will allow you to experience:
Boots n Brew at the Chaffey Garcia House – tentatively scheduled September 20th

The sale of Alta Loma Riding Club belt buckles

Equestrian activities such as clinics (location pending) and horse camping (insurance permitting)

Community events such as pony rides

Of course, we will also offer our usual opportunities, including:

Email subscription to our monthly newsletter

Organized local trail and trailer out rides

Quarterly membership meetings

Great networking and camaraderie with local horse enthusiasts

Being a part of an organization promoting the equestrian lifestyle and having a unified voice supporting the importance of our Equestrian Center, trails and open spaces in our Equestrian Community.

To participate in all of our upcoming events and programs, be sure to renew your membership today. Renewal is easy, you can wait for the mail or download an electronic version of the form from our website and follow the Following instructions:

1. Via Mail: Fill in information on the membership form and sign. Make check payable to the Alta Loma Riding Club.

Mail the form and check to: PO Box 8116, Alta Loma, CA 91701

2. Electronically: Fill in information on the membership form and sign. Scan and email the completed membership form to altalomaridingclub@gmail.com. Complete payment via PayPal. Note: if you pay online, please be sure to let us know the email or phone number the payment is coming from so we can match your payment with your membership form.

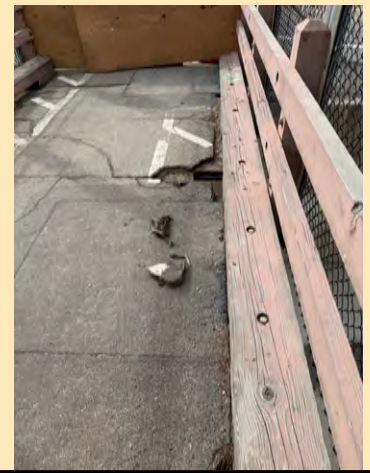

We hope you're just as excited as we are for all that we have in store and encourage you to reach out with any questions or concerns.

Happy trails, *Heather*

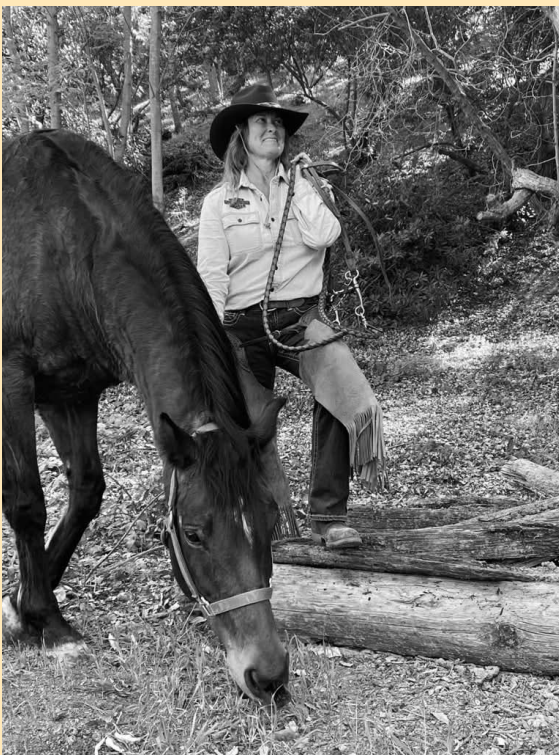

Please Be Aware!

The walking bridge leading from the wilderness area across the Demens Channel is closed. There were fireworks set off below it that caused serious structural damage. The bridge is not usable until further notice.

Announcement!

The ALRC is excited to announce we have a new board member! Lori Krasch has accepted the role of trailer out director.

Lori is a long time member of the club and has lots of great ride ideas with her first trailer out planned for June 14th.

Julie Bradley has been serving in both the trailer out and local trail director role. She will now serve as our local trail director.

Welcome Lori and thank you Julie!

Heritage Park Equestrian Center Bridge Closure

The City has chosen a contractor and the bridge construction is scheduled to start on June 23, 2025. This means that the parking lot will be closed from June 23, 2025 with an expected completion date of sometime in February 2026, barring of course any unforeseen issues (i.e. weather). The equestrian center arenas will continue to be maintained and ride in use is still available. The City has approved the use of Hillside for parking trailers, but unloading horses in the street is not ideal and extra caution is recommended. The city website will have ongoing updates as well as updates in the ALRC newsletter and website. Please continue to access the ALRC Website for information on events held off site.

Alta Loma Large Animal Emergency Response Team

(ALERT) UPDATE:

On Sunday May 18, 2025, the Alta Loma Riding Club, Rancho Cucamonga Animal Control, Rancho Cucamonga Fire Department, San Bernardino County Sheriff's Rancho Cucamonga Equestrian Patrol and community members attended a "Table Top" exercise regarding the mass evacuation of Large Animals in the event of a catastrophic fire in the hills above Rancho Cucamonga. There were also hands on exercises to determine best practices and procedures, and best practices for horse owners to save their horses.

Alta Loma Riding Club will be presenting clinics on topics regarding preparation and supplies for evacuating your horse. IF YOUR HORSE OR LARGE ANIMAL DOES NOT LOAD IN A TRAILER, PLEASE FIND SOMEONE TO HELP YOU IN TRAINING. The members of the Alta Loma Riding Club ALERT will not have time train your horse to trailer load during a mass evacuation event. In addition, have a personal evacuation plan for your animals. For additional information on upcoming clinics, presentations and information, please check the ALRC Website and Newsletter regularly.

WE NEED YOUR HELP. Please call me or text me to become a member of the ALERT Team, while horse experience and trailer is ideal, all community members are urged to join.

How to Report Park Vandalism

There continues to be incidents of vandalism by motorbikes riding in the arenas. If you see damage to the arenas, please take a moment to take a photo and then report it to the City when you get home. We need to report these incidents to the City so they can track the damages being done to our parks.

Here are the steps to report the arena vandalism:

1. Take photos of the arena damage
2. Go online to www.cityofrc.us
3. Under "Online Services" click on Report an Issue
4. The RC2GO Reporting form will appear. Select "park maintenance"
5. Fill out your name, phone, email address, location, and details about the problem.
6. Attached your photos to the form and submit.

RC2GO Reporting

Welcome to RC2GO reporting! Here you can report things you notice around our city that may need some attention.

If this is an emergency please close this website and dial 911. By proceeding you are acknowledging that you understand and agree.
