BITS *of* NEWS

♣ PRESIDENT'S MESSAGE

HOT AUGUST NIGHTS - The annual Hot August Nights equestrian event was once again a success. We had a great turnout of horses, riders and spectators. Thanks to all who made the evening a success, especially our show organizer, Kara Haulman-Recla, and to all the volunteers who helped make the show run smoothly.

MEMBERSHIP - If you haven't already renewed your membership for this year, please do so at your earliest convenience. Dues are still \$30.00. It is only with your help that we can maintain Heritage Park and host our equestrian events. Your membership helps our efforts of preserving the equestrian lifestyle in the community we cherish. Send in your renewal today!

CANDIDATE FORUM - It is essential that we keep up with what is going on in the City of Rancho Cucamonga, especially as it affects ALRC. As responsible citizens, the Alta Loma Riding Club is once again sponsoring a candidate forum in our meeting room at Heritage Park on October 8, 2024. Heritage Park is located in District One.

Three candidates are running for that position in District One. We will have a chance to meet the candidates who are running for City Council and who will represent us. You'll have a chance to meet and greet as well as hear their answers to our questions and concerns, especially those that relate to our Equestrian Park facilities such as horse trails, zoning concerns, and other important questions. The Forum will begin at 7:00 pm and last to about 9:00 pm. Refreshments will be available.

Happy trails, *Heather*

Wellness Ranch: A Beacon of Hope in the Alta Loma Community

In the peaceful hills of Alta Loma, Wellness Ranch Equine Assisted Therapy was born out of deep personal loss and a mission to prevent others from experiencing the same pain. Angelica and Salvador Manzo, having faced the devastating impact of suicide in their own lives, turned to their lifelong connection with horses as a source of healing and strength.

The Ranch didn't begin with a grand plan; it began with a simple desire to make a difference. Through the powerful bond between horse and human, Angelica and Salvador discovered a way to help others find hope, build resilience, and reconnect with life.

Wellness Ranch is more than a therapy center; it's a community where people come together to support one another in overcoming life's challenges. The horses, with their gentle and understanding nature, help clients develop emotional resilience, trust, and a renewed sense of purpose. For many, these sessions have been life-saving.

The work at Wellness Ranch is vital, but the need for support continues to grow. Angelica and Salvador are actively seeking collaborations and sponsorships to expand their reach and continue their mission of suicide prevention. They invite those in the horse community and beyond to join them in this life-changing work.

Supporting Wellness Ranch is about more than therapy; it's about building a community where no one has to face their struggles alone. Together, we can create a world where every life is valued and protected.

If you're interested in collaborating or supporting Wellness Ranch, please reach out. Your help can make a difference with horses as a source of healing and strength.
