

Geneseo Football Booster Club 2023

Thank you for your ongoing support of the Geneseo football program! Your generosity is much appreciated by the players, coaches, and administration involved with the Green Machine. Geneseo football has over **600** wins due to the dedication of not only players and coaches, but the community as a whole. We appreciate your past support and hope your commitment to the success of the program will continue. Everyone is working hard to prepare for the 2023 Fall Football Season!

The Booster Club provides support for the football program, and the majority of revenue comes from memberships such as yours, as well as fundraisers such as the Discount Gold Cards. **All money is spent to enhance the football program, 5th through 12th grade.**

This year, we will again be handling the responsibilities of the GHS football donation club levels for the High School Athletic Dept. Please see the reverse side for club level descriptions and amounts, and how you can donate!

Here are a few ways that your money could be used for in 2023:

- Raise funding for 2023 projects & equipment
- Financial contribution to the Youth Football Program
- Financial contribution for meals for away games
- Financial contributions to help fund banquets: middle school through high school

TWO WAYS TO DONATE

We've made it even easier to donate and become a Football Booster Member!
