

We extend our heartfelt gratitude for your steadfast support of the Geneseo football program! The players, coaches, and administration associated with the Green Machine deeply value your generosity. Geneseo football's impressive tally of over 600 wins is a testament to the dedication of our players, coaches, and the entire community. We appreciate your past contributions and hope we can count on your continued commitment to the program.

Everyone, particularly our players, has been diligently preparing as we gear up for the 2025 Fall Football Season. The Booster Club plays a pivotal role in sustaining the program, with a significant portion of its revenue derived from memberships like yours. Every dollar spent goes towards enhancing the football experience for 5th to 12th-grade students.

- Raise funding for 2025 coaching and practice needs
- Financial contribution to the Youth Football Program, which serves Geneseo students from 5th -7th grade
- Donate towards away games and weekly home-cooked team dinners thanks to our Kitchen Quarterback Club
- Help fund banquets at all levels, starting with our 8th-grade team through Varsity

With our motto, "How can we help?" guiding our efforts, we are proud to undertake once again the responsibilities of managing the GHS Football Donation Club levels for the High School Athletic Department this year. For detailed explanations and membership levels, please refer to page 2.

Thank you again for your support of Geneseo Football Boosters. If you have any questions, please email me at Sarahleetch@gmail.com
