

# January

## NEWSLETTER

### *Important Info*

The weather is unpredictable and so we ask that all families are dressing for the weather so that we may take the children outside if it permits. We also ask that parents with strollers use the back entrance to ease up the congestion and ensure you are taking your shoes off and walking through the center.

### *Birthdays*

Jan 17th - Rose

Jan 19th - Theo C.

Jan 27th - Shiloh

### *Reminders*

We have a 9 AM drop off and we ask that all parents please do not drop their kids after this time. At 9 AM, our programming begins. We start our counts for the day to ensure snack and lunches are made for the amount of kids we have. We also begin our crafts and circle times any children coming after this time disrupt the program and distract the other children.
