Your donation

The screenshot shows a donation interface for ACWR. At the top, there are three buttons: "One-time donation" (highlighted in blue), "Extend your impact - \$10 monthly" (with a red heart icon), and "Yearly donation". Below these are four preset amount buttons: "\$10.00", "\$25.00", "\$50.00", and "\$50.00". The "\$50.00" button is highlighted in blue. Below the preset buttons is a text input field containing the number "50", which is circled in red. To the right of the input field is a dollar sign "\$". An orange arrow points from the "OR" text above to the "One-time donation" button, and another orange arrow points from the "You can enter any amount you choose!" text to the "50" input field.

Also, our preset donation amounts will remind you of your donation category.

- ✓ \$10 is a debutante patron which will list your name only in the program book.

- ✓ \$50 is for Debutante Digital Ad

2 Enter Your Information

The next step is to enter your personal information where you can even make a memorial donation in memory of a loved one.

3 Confirm Your Donation

Zeffy.com is a free platform and relies on donations to remain that way. You may donate or you do not have to. There are pre-populated amounts, or you may choose "other" and donate an amount of your choosing.

The screenshot shows the final confirmation step of a donation. The main heading is "Donation" with a value of "\$50.00". Below this, there is a note: "Add a contribution to keep the platform we use 100% free!" with a "Learn more" link. To the right, there is a dropdown menu set to "Other". Below the dropdown is a "Contribution" input field containing the number "2.00", which is circled in red. At the bottom, a grey bar shows the "Total" amount as "\$52.00".

That's it! choose your payment method and submit.

Thank You for your donation!
