## Prayer-Walking Miracles

Cheryl Ford, Contributor

Recently Cheryl Ford contributed a compilation of tremendous

testimonies of answered prayer to Intercessors for America (<https://ifapray.org>) hoping to inspire and encourage believers to pray for their communities and beyond, and to reignite interest in prayer-walking. Intercessors for America is the trusted resource for millions of people across the United States committed to praying for our nation. You will want to click through on this link to read her featured article in IFA's newsletter... [Prayer-walking Miracles](#). We're so proud of Cheri and her bold and loving stand for the Lord and the Gospel of the Kingdom. Clay and Cheri are prayer warriors filled with an unremitting commitment to intercede for the nation, the world, and any prayer concern that comes their way. They have been active in intercessory prayer their entire life in ministry together and currently participate in three intercession groups. They believe that God is calling His people to pray with great urgency for spiritual awakening in our nation and the world. Thank you, Cheri and Clay, for your example of faith-filled intercessory prayer!
