Personal Prayer Places

The Green Lake Conference Center has an abundance of inspirational places ideal for personal quiet time and meeting with the Lord to embrace your relationship with Him or to rekindle your first love. Be renewed and energized by walking the grounds, sitting by the lake, climbing a tower and visiting other spaces for alone time with God.

~~**Lone Tree Point:** Venture out to this quiet spot behind Roger Williams Inn. It's where GLCC founder, Jessie Lawson, took refuge from a storm in 1888. Take refuge there too!

~~**Hopevale Memorial Cathedral in the Glen:** This replica of a chapel built by 11 American Baptist missionaries in the Philippines during WWII is a peaceful spot in the woods. Peace even in war!

~~**Spurgeon Chapel:** Visit this historic chapel, built in 1904, a place for quiet meditation and prayer. God is able!

GLCC is in Green Lake County and there are presently **no** county mandates concerning masks.

GLCC is asking that you wear a mask when in the Dining Room until you are seated otherwise there are no mandates in place at the conference center.

In consideration of all attending we will have one seating section that will allow for social distancing for anyone needing or desiring that arrangement;. The chairs will be spaced well apart and there will be signage marking that section.

Please be tolerant of those with differing views on masks as we maneuver through these challenging times.

WORKSHOPS

How to Communicate in Conflict

John & Linda Piippo

Pillsbury

Conflict in relationships is normal. But, many relationships fail to thrive when conflict arises. This workshop will give you the tools needed to understand and evaluate anger and speak the truth in love when there are relational struggles.

Scripturally-Speaking,

What Do We Know About Homosexuality?

Phillip Lee

LaDue-Boddie (in Bauer Lodge)

It is possible to extend God's love toward those with same-sex attractions. And a first step toward offering hope and support is learning more about homosexuality. The balance between demonstrating the grace and kindness of God and yet acknowledging Biblical truth regarding homosexual behavior is a delicate one.

Gifts of the Spirit:Open Your Toolbox

Wayne & Norelle Lutke

MLK Room (in Lawson Lodge)

Christians hold various views about the Gifts of the Spirit as listed in 1 Cor.12:8-10, views that are often skewed. Are the gifts mystical, out-of-reach abilities reserved for a few of God's "favorites?" What exactly are they? *1 Cor.12:1 states, "Now concerning the spiritual gifts, brethren, I would not have you ignorant"* so let's delve in and get fresh understanding, faith, and freedom regarding the gifts and their place in the life of the believer and the Church.

Resolving Your Identity Crisis

Presenter: Larry Salas

Beaty (in Bauer Lodge)

Many believers still struggle with identifying with their "old man" instead of believing God's Word about who they really are in Christ! Believing His Word about who you are frees you into exercising the life of Christ, who happens to be our identity!

To Be Generous – It's Not Just About Money

Pam Wantz

Lightbody (in Bauer Lodge)

Come dive deeper into this word from a Hebrew perspective. *Isaiah 32:8 But generous people plan to do what is generous, and they stand firm in their generosity.*

Concert of Prayer

We are excited to be including a concert of prayer this year to our schedule. This time of prayer is planned for **Thursday** morning beginning at 10:15 am and will be an extended time of intentional group prayer - a time to call upon the Lord as one voice. There will be focus segments of prayer with short times of worship interspersed. The segments will include various formats of prayer, and HSRM leaders will introduce the segments and formats. Together our voices will be raised in praise and thanks, confession, petition and declaration. *"To the Lord I cry aloud, and he answers me from his holy hill." (Psalm 3:4) God is Good!!*

Special thanks to the Redeemer Church (Monroe, MI) worship and AV teams for their commitment, service and ministry among us.

We also thank the many volunteers that step forward to help and make this conference possible from child care to the video and audio recording, registration and book tables and all the big and small tasks in between.

WORKSHOPS

The Bible, the Holy Spirit, and the New York Times Clay Ford
Live streaming in Pillsbury Hall
A biblically solid and Holy Spirit discerning approach to evaluating and responding to some of the critical contemporary cultural issues we are facing, both within the Church and in the culture at large.

Reaching Gay Youth Philip Lee
LaDue-Boddie (in Bauer Lodge)
While the number of youth embracing homosexuality is alarming, there are many ways in which you can reach them. This workshop centers on why youth should question homosexuality and what role you can play in helping bring that about. What if people think I'm gay? Is there a difference between homosexual temptation and homosexual sin? How do I respond to the 'born gay' argument? What is the key to overcoming homosexuality?

SET FREE: A guide to Inner Healing and Deliverance Steve Dominguez
Beaty (in Bauer Lodge)
This workshop is based on Steve Dominguez's latest book, SET FREE. Steve and his wife Risa have had years of ministry helping people get set free of strongholds and demonic influence. In this workshop Steve will provide information and spiritual tactics to help equip you to walk in freedom and help others to do so as well.

Seeing Others through the Cross and/or Their Identity in Christ Ross Lieuallen
MLK Room (in Lawson Lodge)
Seeing our own identity in Christ is huge and so valuable in our growth and understanding of who we are in Christ. But we also struggle with judging others, or we compare ourselves to others, or perhaps we de-value others who disappoint or have hurt us. This workshop will explore simple reminders of how to see others with new lenses.

Understanding Prophetic Art Nicole Griffith
Lightbody (in Bauer Lodge)
Are you creative but haven't found a way to use your gifting in the church? Do you often get words from the Lord through images? Come join this workshop where I'll share my process for turning my artistic identity into an act of prophetic worship and how you can learn to do it too!

WEDNESDAY WORKSHOPS

Deconstructing Progressive Christianity John Piippo *Pillsbury Hall*

The idea of "progressivism" in politics has been around for decades. More recently, some have applied the term as a modifier to Christianity. Now, we have "progressive Christianity," also called "progressive evangelicalism." This workshop will present an understanding of progressive Christianity, why some are attracted to it, and why theologically it is not to be embraced.

Growing as Leaders in Churches Ed Owens *MLK Room (in Lawson Lodge)*

The American Church is facing tremendous challenges. Pastors and church leaders can get discouraged. This is not a time, however, to retreat, but the challenges require healthy growing pastors and church leaders. In this workshop we will look at ways to nurture leaders in four areas: physical, mental, emotional and spiritual.

Our Authority in Our Healing Ministry Eugene & Joy Purdy *Beaty (in Bauer Lodge)*

Jesus didn't tell us to pray for the sick, he said Heal the sick, Come and explore this assignment from Jesus with us.

Prayer That Works John Grove *LaDue-Boddie (in Bauer Lodge)*

Identifying six pillars of powerful and effective prayer we will consider such things as: What does it really mean to pray in Faith and in Jesus's name? How do we listen for God's voice? What to do if our prayers seem to go unanswered? We will also consider the breathtaking power of God to answer our prayers beyond our lifetimes! The goal of our workshop will be to have a much better grasp of conversing with God in joy, confidence and effectiveness.

Interpretation of Tongues (1 Corinthians 12-14) Tim Curry *Lightbody (in Bauer Lodge)*

There has been a renewed emphasis on prophecy in the charismatic church. Its practical equivalent, however, a tongue with an interpretation has not received as much attention. Since the interpretation of tongues is also distributed by the Holy Spirit for the common good and for building up the body, we will do well to pursue it together. With some practical advice on how to be open to the Spirit's gift of interpretation and following the way of love, we will practice this spiritual gift together in a fitting and orderly way.
