

2022 HSRC Youth Group Information

Holy Spirit Conference Youth Group is available for those entering 6th grade through 2022 high school graduates. ** The morning sessions are held in the Red Door Building on the hilltop above the Avenue of Flags. It's good exercise getting there!

Youth Group times: Monday—Thursday 8:45 to 12:15

Youth Ministry Leaders: Joey Flaherty (734-265-6356)

Francesca Flaherty (734-497-4806)

Students: Can you know God? Really experience Him? Can your life be free of the bazillion things that keep you down? Can you make a difference in a world that has gone wild and is far from God? YES...ask the many teens who have seen their lives impacted and empowered here at the Holy Spirit Conference and then have affected their world at home! Go to new levels with God and learn about God's power to do His stuff. He wants to pour His love and power on His kids! Youth, please come together every morning to learn, experience, grow, encourage and change to the glory of God! We'll have fun doing it!

Cell phones: The students are allowed to have their cell phones with them but during the group sessions they are asked to put them away.

**Recent high school graduates are welcome to participate in the youth ministry or the Young Adult Fellowship. (See description on page 14.)

Our approach: When leading a group with a wide age range God has given us a great blueprint— we treat Youth Group as a Family made up of brothers and sisters in Christ. High school-aged students are encouraged to view the middle school students as their younger brothers and sisters in Christ to help lead and guide them. We encourage the middle schoolers to learn from the older youth, but they can also help the older students to grow and be encouraged in Christ. If we split the students into small groups it will be done by grade as best, we can.

Parents-of-Youth Informational Meeting

There will be a meeting for parents Sunday evening following the evening session at the back of Pillsbury Hall.
