

Renewal School of Ministry

Term Offered: Fall 2021

Course Name: Communicating God's Word

Course Times/Dates: 1.5 hour Zoom meetings for six weeks, Begins Sunday September 19 and meets on six consecutive weeks from 8-9:30pm EST. The classes will be live via zoom.

Course Content: In this course we will recognize the various biblical descriptions of the word of God. We will place an emphasis on listening as the foundation of communicating his word. Then, we will identify the similarities, differences, and importance of various types of human communication: intrapersonal, dyadic, small group, and public. We will expose the lies that hinder us from sharing God's word, especially in public communication, and recognize the power of God's image in our nonverbals. With clear structures in place for personal and public communication, each student will have opportunities throughout the class to practice sharing God's word. The goal is to establish a foundation that will empower each student to share God's word effectively with others in more than one context.
