Our 18-hole championship golf course was designed by Robert Trent Jones. Our golf course is exceptionally well manicured and maintained year around. We offer an enjoyable, yet challenging layout for golfers of all skill levels.

It is located in the foothills of the Great Smoky Mountains, just minutes from downtown Greeneville, Tennessee. The championship course has played host to many state championships, including a NAIA Women's National Collegiate Championship.

The golf programs are directed by PGA Professional, Bob Ward.
