

V-PRC-1

VICTRIX PRECISION RIFLE COURSE - 1

Objective: Provide an introductory course on extreme long-range shooting. On a private range with instruction from military and law enforcement. You will learn the skills and techniques required to operate your VICTRIX ELR rifle to proficiently hit your target out 1200+ yards.

Prerequisite:

Knowledge of firearms safety, muzzle control & discipline
No prior experience with a precision rifle is required

Overview:

- Setting up the rifle to biomechanically suit the individual
- Fundamentals of precision rifle shooting
- Establishing zero / D.O.P.E collection
- Reticle range estimation / Mildot Master work
- Reading, dialing & holding wind / ballistics calculations
- Multiple target engagement work at both known & unknown distances ranging from 200 to 1200 + yards

Inclusions:

- VICTRIX Scorpio rifle in .308 or 6.5 Creedmoor
- Steiner M5Xi 5-25x56 optic & mounts
- Bipod, sling, shooting mat, rifle support gear & ammunition
- Data book & Mildot Master slide rule
- Professional & diverse military & LEO instructor cadre
- Meals & accommodations
