

You've got a business to run.
Give your marketing some Kick.

LET'S GET STARTED!

See How I Can Help

Kick Marketing can complement your marketing efforts, or manage the entire marketing mix, with a strategy that is realistic, sustainable and within your budget.

Over 25 years of managing and working hands-on in virtually all aspects of marketing; helping businesses create their brand presence and achieve their goals.

My service starts with a friendly consultation to help identify gaps and opportunities. I'll put together a scope of work proposal with timelines and costs. My individualized plan will blend the right services to get you where you want to be, quickly and smoothly.

I'm here to give you the personal time and guidance you deserve. Whether just starting out or needing to enhance your brand, I'll work with you to craft your brand story. Using my extensive local resources, I'll create compelling marketing materials for you.

Market Research • Branding • Content Creation • Email Blasts • Trade Shows • Website Tune-ups • More
