Tailor-Made Solutions for Business IP Exposures

Medical Device | Manufacturing | Robotics | Fitness Industry | Alternative Energy | Scientific | Sporting Goods | E-Commerce | Software | Consumer Products | Applied Sciences | Oil & Gas | Fashion | Internet of Things | Nutrition

IP Insurance Products

Whether companies are making or selling products or have acquired IP rights in patents, trademarks, copyrights or trade secrets, it is important to have the proper risk management tools in place through specialized IP insurance products, which are a critical part of managing and protecting the market share companies have worked so hard to gain and keep.

Enforcement Insurance

A unique plaintiff's policy enabling customers to enforce IP rights

Defense Insurance

The solution to the gap left in CGL policies for IP risks, enabling our insured to defend charges of IP infringement.

Included Multi-Peril Rider.

Included Troll Defense Rider for those insuring products and processes.

Multi-Peril IP Insurance

A first-party coverage policy covering damages due to the loss of IPISC insured IP litigation. IPISC includes an automatic Multi-Peril rider on Defense Policies with limits of \$50,000 or higher.

Troll Defense Supplemental Insurance

Supplemental Defense coverage that specifically covers infringement charges brought against insured's non-core activities by pre-identified NPEs and/or NPE-related patents

Defense Policies with patent coverage, include a Troll Defense Rider with limits of \$50,000 or higher is included.

Unauthorized Disclosure Insurance

Coverage for the unintentional disclosure of a third party's entrusted confidential information – has both Defense and Enforcement features.

Post-Grant Patent Defense Insurance

Provides coverage for inventors by paying the legal costs of responding to AIA (American Invents Act) actions and maintaining the validity of the patent in question.

Collateral Protection Insurance

Policy allows using patents as collateral for a loan, with loan default covered by the insurance.

Our expert consultants at IPISC can help with IP risk assessment and offer unique and innovative solutions.
