

Month 5 of 2024!

Hello May! Let's hope all that crazy weather last month does bring some beautiful flowers this month. Things have been busy over here, between business and the kids activities it feels like we don't stop. When we get a day that doesn't have anything going on sometimes we stop to double check our schedule that we didn't miss one of the kids sports haha! It is so much fun though to watch them flourish in their sports. Our son loves soccer, he plays defense really well. Our daughter (the middle child) does ballet, she is super

excited for her recital coming up and practices all day long, the baby- well we need to figure out something for her to do.

Business is great, thanks to all of you! We have been very blessed to be able to help insure so many wonderful families and businesses. We hope that you have a wonderful month ahead and enjoy the *hopefully* beautiful weather to come!

**Take Care,
