August is here already and our cruise season is more than half over. The weather forecast for August is okay. So this is a good reason to get out our Corvettes and enjoy each others friendship and cruise.

Ice cream cruises are a good event on a hot day and we sure like ice cream. Judy will have a pool party at her house so come and relax by the pool.

Bass Pro is still going on but look at the calendar for the scheduled days.

Yes, Static Tuesday continues every week and Pizza on the second week. All have a open invitation to stop by and socialize with members. Lunches on Wednesday doesn't matter the weather and we've done this event for the past 3 years with a dozen or more attending.

The membership still continues to grow with breaking the 100 mark so far.

Members cars from 1960 to 2023 including a 2023 Z06 from David Yee. The prices for used cars are still a little high but coming down.

Sooooooo after a 2 year search for me to buy a C7, it finally happened.

Arizona had a 2015 Convertible, manual, Z51, with 2LT and 27,000 miles.

I traded my 2004 C5 and made the deal.

Looking forward to a fun August let's keep cruisen.

See you in September.

Save the Wave !!!

Marilyn and the 1956 SR2 Corvette? This SR2 was driven at Sebring 1957 by Paul O'Shea and Pete Lovely. This photo with Marilyn can be found all over the internet with the same story. However, carefully look at every detail in both of these photos. Which is Photo-shopped? Hint: Her shadow looks bad. But that's only my opinion.

## The Gazette Needs You!

It's your Gazette!

As Publisher and Editor, I am always looking for content to make our Gazette more fun. After all, it's your Gazette.

As much as we love our Corvettes, content is ***NOT*** limited to subjects about Corvettes. Content about our members is always fun, too.

### Suggestions:

- Pictures are the best! Just add a quick description. No story required!
  - Pets "n" Vettes; Kids "n" Vettes
- Got a story? 500 words maximum. Longer stories are split into parts for following issues.
- Did you take a day or weekend cruise in your Vette?
- Find a great restaurant? You know we love food!
- Grand kids sitting in your car ... and broke something?
- Do a mod on your Vette and it worked ... or didn't.
- Find a great (or bad) service or product?
- Find some interesting or bizarre Corvette news, history, or humor? Include original link to credit the source.
- Heard about a fun car event?
- Don't know if it's right? Ask, Gerry!

Please email me directly, [gcriscenzo@gmail.com](mailto:gcriscenzo@gmail.com), with content, questions or even suggestions for the Gazette.

Thank you all in advance!  
Cheers!

## Ba Haba!!

By Gerry Criscenzo

I, for one, will strongly consider buying a Corvette SUV “when” they arrive.

I’ve been planning to keep my C6 but the down side, the only down side, is practicality. Yes, I know you don’t own a Corvette for practicality, which is why many of us, myself included, own “metal” cars. But it would have been real nice to have the Corvette when we traveled to Bar Harbor after performing a sold-out Live Bullet concert in Madison, ME.

Madison was 3.5 hours north. Bar Harbor was 2 hours more from there so, after the show, we decided to extend the stay with an additional two nights in Bar Harbor. Well, luggage isn’t a problem for Suunna. All my of stage equipment is another issue, so, sadly, no Suunna.

This was our first time to Ba Haba and it was just spectacular! I made sure our hotel over looked the harbor to view stunning sun rises.

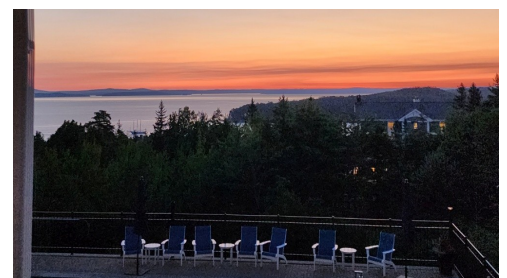

We climbed to the top of Cadillac Mountain. Well, the car did; still a little gun-shy on hiking/hydration (see last Gazette). Outdoor activity was pretty much walking around town ... from bar to bar.

Oddly, lobster is way more expensive here, which is where it comes from. Tourist trap, I guess. Just as well, because I had some of the best BBQ I’ve ever had at Mainly Meat! We wanted to eat at Chow Maine just because of the name but it was closed.

At the Chart Room, on the water, we met one the owners of Beal’s Lobster (pictured), which the Lightbody’s recommended we visit. New friends!

Ba Haba would be a great EMCC cruise destination! Hint, hint!
