President's Message

www.easternmasscorvetteclub.org

EMCC members let's go to our next month of cruises and events.
The cruising season is still going strong and giving us different events and cruises.

The fall season brings a great time for colorful cruises. We went to Webster Lake in Western Mass for a nice foliage cruise and lunch. Another cruise was to Cape Cod and lunch. These trips included the couples and all Corvettes.

The Tuesday Static cruises went great at the Dairy Queen in Foxboro with the second one has pizza. We've moved to Tag's garage for the winter. Wednesday lunches are continuing as always all year long. Couple of the wives have joined us for lunch too.

Bass Pro car show ended with the Halloween event we attend, masks and all.

We enrolled two new members bringing the total membership to 109.

Our last event of the year will be a Holiday party in December.

So EMCC get ready to end another exciting cruise season full of events and FUN! See you next year.

Save the wave.

Saturday, October 10th was EMCC's scenic ride to the Samuel Slater Restaurant in Webster with lunch at the restaurant. Members and spouses met at Lake Pearl with the weather in the high 60's and full sun. There were 12 cars, and the cruise route was great. Tables had great views of Lake Webster.

Cape Cod Cruise!

Story Joe O'Connor; Photos, Bob Gardner

Nine Corvettes left from the Chateau Restaurant in Franklin at 10:30am on Sunday Oct. 4th. The Weather was cloudy with peaks of sun.

Easy Ride down 495S. I set my cruise control to 66MPH, and we stayed in one line in the middle lane all the way to exit 10 to Buzzards Bay.

Many cars were flying by us. Many gave us the thumbs up. The clouds stayed with us all day, but still was pleasant temp to walk or just sit.

We stayed at the Canal almost two hours. Every-one was in a good mood. The Canal was crowded with people, Kids, and Bikes. You had to be care-ful when Walking.

We left for The Mezza Luna at 1:30pm and they sat us in our private room. There were 23 People for lunch. They treated us very well. The food at this restaurant is very good, and their prices are very reasonable.

Cindy And Barry celebrated 50th wedding anni-versary by bringing a Cake for all of us celebrate with them.

We all had a very good time. Al ot of laughs came out our room. The rain held off for the most part of the ride home. It was good to part of this EMCC crowd.

Crandall/Fontana Albuquerque Balloon Festival 2026

Story and Photos: Gary Crandall

Our trip started with a flight from Providence to Denver and on to Salt Lake City Utah. We met up with our tour guide at the Salt Lake City Airport where we boarded our Tour Bus with a group of 50 people.

Day 1 first destination was Arches National Park and Moab. Upon reaching our destinations we stayed at the Red Cliff Lodge that was nestled right on the Colorado River and the tall cliffs of Moab.

Day 2 we reached Dead Horse State Park and visited the town of Moab which is a hub for all outdoor activities such as Off Road Jeep and ATV trails, rafting and kayaking, hiking and biking, and off-road motor biking.

Day 3 we travelled from Moab to Mesa Verde Plateau where we were able to see the cliff dwellings of ancient Pueblo tribes dating back to 550AD - 1300AD. After departing Mesa Verde, it was off to Durango Colorado. We stayed at the World Famous Strater Hotel.

Day 4 it was off to Silverton on board the Durango Silverton Narrow Gauge Train. This is a 3 1/2-hour train ride through the Mountains with beautiful views of the foliage and mountain rivers. This is the same train that was continuously robbed by Butch Cassidy and the Sundance Kid in the Movie starring Paul Newman and Robert Redford.

Day 5 had us headed to Santa Fe and then off to Albuquerque. We stopped in Santa Fe to visit the Santa Fe Square and some leisure time, then it was off to Albuquerque.

Day 6,7 were spent in Albuquerque at the Balloon Festival. We had to be up at 4:00am to depart for the festival early enough to see the balloons light up before dawn. The crowds are estimated to range from 150 thousand - 200 thousand people a day, so you can imagine the traffic getting in and out. In the evening the balloons show had the ballons lighting up but not taking flight followed by a Laser Drone show and a huge fireworks display.

Day 8 was our travel day back to Salt Lake City. We left our bus driver to drive back to SLC by himself while out entire group flew back to SLC via Las Vegas.

Day 9 was our fight back to Providence via Chicago Midway Airport. "There is no place like home"

Corvette Racing at Monza: TF Sport Wins World Championship!

By Keith Cornett -Nov 8, 2026, CorvetteBlogger.com

MONZA, Lombardy, Italy (November 8, 2026) – TF Sport's No. 33 Chevrolet Corvette Z06 GT3.R completed a magical season Sunday by taking the LMGT3 Drivers and Team championships at the end of a frantic Six Hours of Monza for the FIA World Endurance Championship.

Jonny Edgar claimed the Drivers title while the crew of the No. 33 Corvette won the Teams championship with a third-place finish for Edgar, Ben Keating and Nicky Catsburg, who finished second in Drivers points.

It is the second WEC title for the Corvette Racing program, adding to the 2023 GTE Am championship for Catsburg, Keating and Nico Varrone. TF Sport also won its second WEC title, as well, and first since 2022.
