

## **President's Message**

Spring is here! The last of the snow is grudgingly melting and it is time for our beloved Corvettes to be uncovered and allowed to come out and play. April is the start of our season when all that polished fiberglass shows itself to the other sports cars and roars “WE’RE BACK” and proud to be America’s #1 sports car.

There is a list of this seasons activities on our website and in this gazette, put together by Elaine Kemp of “Corvette Mikes” to keep us updated as to what is going on across New England with other Corvette clubs. This has also been emailed to each member.

EMCC again showed support for fellow members with a night of music and dancing at Twin Rivers Casino. Member Gerry Criscenzo and his band mates were on stage playing songs by “Bob Seger’s Silver Bullet Band”. It was a great night of friends, music, and dancing. Thanks Gerry!

Please continue to check Emails for the latest goings on. Our secretary Steve Sylvia tries hard to keep everyone updated. Many activities start this month, with Bass Pro on April 11, our static cruises starting April 30, and the “wash and shine” at Pinche’s on April 27.

With Bass Pro starting...we will need a cruise to fill every other Thursday so don’t be shy grab a Thursday and take us to your favorite driving destination.

EMCC is only as good as member participation so get out in your Vette and come play.

I would like to thank everyone for making my first year as president a happy, fun, and successful year. I look forward to the coming year.

As always I am “good to go”

Steve Wilson, EMCC President

# THE PRESIDENT'S AWARD

By Steve Wilson

This year with no one retiring from a leadership position the only award given out is the President's Award. This award goes to the member who the president feels has done the most for EMCC during the past year

That being said this year's award goes to Steve Sylvania.

Steve has shown that he is always ready to help EMCC, whether he is leading a cruise, blocking oncoming traffic so a cruise can leave the parking lot, picking up pizza for our

Tuesday static cruise, or setting up tables and chairs for one of our functions.

Steve, as the current club secretary, also keeps the membership list current, keeps the minutes for

board, on which he has served many years, and membership meetings. He sends out many Emails to members to keep them current on upcoming events and meetings. Steve has also been a past president. Recently he has shown his dedication to our club with his new license plate "EMCC".

Steve has been a big help to me as I navigate my first year as your president. Offering support when needed, keeping me up on the different duties I need to perform, and not letting me get rattled when conducting meeting. Along the way has become a good friend

Thank you Steve Sylvania.

# READY TO GO FOR A CUP OF JOE?

Story by Arne Johnson

In the past few years there have been many automobile enthusiasts offering a morning event called Cars & Coffee. Perhaps the better known ones locally would be Herb Chambers auto dealerships and the Lars Anderson Museum but the offers are not just regional. They extend nationwide as well. The interest in a Cars & Coffee event has grown to include types of local business which might not be expected to hold such an event. Maybe it's done in hopes of drawing new customers or because someone in the business has an interest in classic cars or some combination of both. A new event is planned to take place at Asphalt Engineering at 190 Farm St in Bellingham, MA, May 5<sup>th</sup> from 7am to 10am. The photo, offered as a header for their ad announcing the event, shows a well-used classic truck on a dirt parking lot. The truck is interesting the dirt parking is not. Since I know an individual who lives within walking distance, I had them check to see exactly what to expect. I was reassured that there is now a new 15,000 square foot facility with ample paved parking for numerous cars. As you can see from the photos you won't have to worry about dirt parking.

asphalt\_engineering  
Asphalt Engineering

*SPRING IS HERE DON'T FORGET TO...*

A white classic car, possibly a Chevrolet Camaro, with two people inside waving their hands out of the windows. The car is set against a background of stars and stripes, suggesting a patriotic theme.

# SAVE THE WAVE!

- 1 There's no excuse not to wave!
- 2 Whoever sees the other first starts it!
- 3 Any type of wave is ok!
- 4 A late wave is better than no wave!
- 5 Rules apply to both sexes!

# WEDNESDAY LUNCH AT APPLEBEE'S

Story and Photos by "SMOKEN" Mal Smith

Additional Photos By KAMERA KEITH

Our three most recent retirees (L to R) vice president "SMOKEN" Mal Smith, president Steve Wilson, and secretary Steve Sylvia. Do you see a trend here three out of four executive board members just retired. Perhaps if you are thinking of retiring you should join the board. Editors note.

Well, the word is out, I am part of the Retirees Association of EMCC. I officially closed my office on March 8<sup>th</sup> and will officially be retired on April 30<sup>th</sup>. I have a few files to finish up at my home office. So far, I am lovin' the idea that I don't HAVE to be anywhere at any particular time and I am enjoying some of the nicer things in life.

I attended my first Wednesday lunch with EMCC on March 14<sup>th</sup> and I was joined by Joel, Steve S, Keith, Steve W, Judy, Big Joe, John D, John F, Bob G, Bill S, Larry C, Andy B, Frank, Fran F, and Dennis from Gate City Corvette Club. Thank you to everyone to helped me celebrate my retirement. Wow! This was the largest group of all time. I am so looking forward to this new chapter in my life.

For those members who do not participate in the Wednesday lunch event, you should try to join in once in a while with the "gang" if you can. It really is a great time to catch up.

Thanks again, EMCC. I love you all.

# THE ADAMS FAMILY

of Products

Story and photo by Keith E. Jacobson

We are always looking for the ultimate care care products for our "babies." I have seen countless discussions, on line, about the best wax, best detailer, tire care product, etc. EMCC webmaster Kevin Miller swears by the Adams line of products. While talking with him he mentioned that they occasionally have a mystery bucket promotion. In the promotion you pay \$75.00 for products worth at least \$120.00 at retail.

I checked out their web page recently and saw the promotion was on and purchased the offer...which was just delivered to me. Included were the following:

- Buttery Wax
- VRT - vinyl/rubber/trim
- Wash & Wax
- Tire Shine
- H2o Guard and Gloss
- Eco Wheel Cleaner
- Pumpkin Spice Interior Detailer
- Plush towel
- Microfiber wash sponge
- Microfiber wheel wash mitt
- Five gallon bucket

*I calculate that it has a value of almost \$160.00 and the good part is that it is all usable...with no items that would be unwanted. I would definitely buy it again. I just checked [adamspolishes.com](http://adamspolishes.com) and don't see the deal right now. If you are interested keep on checking.*

Check out Kevin's setup ....

# GETTING DOWN AT TWIN RIVERS WITH LIVE BULLET

Story and Photos by "SMOKEN" Mal Smith

Club member, Gerry Criscenzo is a bass guitar player with the band, Live Bullet. They played at Twin Rivers Casino on March 9<sup>th</sup>. As soon as some of the members got wind of the upcoming event...we spread the word and immediately we got the response that we would like to become "Gerry's Group-ees". Gerry's new followers are Frank and Rosemary, John and Lori, Steve and Sherry, Jim and Kay, Joel and Maureen, Bob and Deb, and Judy and Mal. Steve S. and Laurie were planning to attend the event, but Steve wasn't feeling well. Maybe next time Steve.

We started to arrive at Twin Rivers during the day on Saturday and by dinnertime most all of us were there. Some of the group ate at Fred and Steve's, some ate at Wicked Good Bar and Grill, and some ate at other venues. The dining areas were packed, but we all managed to find a place to have a great meal.

Steve Wilson, Judy, and Mal took over the dance floor for the evening and had a wonderful time. We had a few other members dance to a song or two, but the SJM Team danced the whole night.

The band was wonderful and we will be looking forward to attend shows at other venues when they perform. I did hear that Live Bullet will be playing in the area on March 30<sup>th</sup> at Liz's Diamond Bar and Grill in Hopedale. Put that on your calendar for a night of GREAT entertainment.

# NEWS FROM THE NATIONAL CORVETTE MUSEUM

## From NASCAR to NCM

Pictured: George and DeDe Cable taking delivery of DeDe's 2019 ZR1. Joining them are their friends Kyle Petty with wife Morgan and son Overton as well as Delivery Department Manager Shane Webb.

Five years ago, to the day, DeDe and George Cable were at the National Corvette Museum picking up a Stingray. Now, they are back with a special friend in tow, former NASCAR driver and current racing commentator Kyle Petty. A connection that was brought together through time and cars led to the special friendship that these two families have.

DeDe Cable picked up her 2019 Arctic White ZR1 on Friday, February 8, 2019 and with her she brought long-time friend, Kyle Petty. Cable and Petty have known each other for years, first meeting when Cable was a teenager and Petty a

young boy at a hotel near the Daytona International Speedway. DeDe was a babysitter for Kyle and his siblings back when his father, Richard Petty, was racing in the Daytona 500. Over the years, the two lost contact but DeDe continued to keep in touch with his parents and racing career.

Years later a customer of George Cable, DeDe's husband, mentioned to him the Kyle Petty Charity Ride. George chose to participate in the event and met Kyle along the route. DeDe proclaimed that she had known Kyle for years and remembered taking care of him at a hotel in their younger years. DeDe and Kyle reconnected as though no time had passed. Since then, the two families have attempted to see each other at least once a month.

DeDe Cable proudly stands with her new 2019 ZR1 Corvette.

In 2018 while the Cables and Pettys were in Daytona, DeDe asked numerous times for a 2019 ZR1. Days passed, and nothing became of it until the couple were on the Kyle Petty Charity Ride. The participants traveled to Mario Andretti's home and the first car they laid eyes on was a 2019 Sebring Orange ZR1. DeDe was sold. The only stipulation that she had was that Kyle join her to order and pickup her Corvette.

At the dealership, Kyle asked: "How much horsepower does this car have?" DeDe responded with 750 horsepower! Kyle then stated, "Do you know that has more horsepower than my racecar had?!" The fun experiences didn't stop there. Kyle also proclaimed to DeDe that he had never been to a car dealership to order a car before!

The Cables enjoyed their second R8C Museum Delivery while the Pettys visited the Museum for the first time. DeDe has only ever owned Corvettes and will continue to be the gearhead that she says she is. Kyle, on the other hand, may not own a Corvette, but his mind might be changing after spending the day at the National Corvette Museum.

# OH CANADA!!!

I recently had the opportunity to meet, through Facebook, John Price, president of the Eastern Ontario Corvette Club. During our conversation he mentioned that on June 19&20, 2020 his club would be sponsoring the Kingston Corvette Invasion II...the biggest Corvette weekend in Canada and we're all invited !!! EMCC members and all other Corvette owners

reading this. At the first one, last year, they had five U.S. clubs represented and a total of thirty two different clubs in attendance. They are hoping for forty clubs for the next one. The event is held in beautiful Kingston, Ontario an easy 6-7 hour drive from the Boston area. I am putting it on my calendar and hope to attend. As more information is sent I will pass it on.

This is a list of events for the season as compiled so far by Elaine at Corvette Mike's. These are not all of the events around and the list is updated from time to time so watch your E mail for updates and also posts on the club's Facebook page.

**2019 CORVETTE COMMUNITY EVENTS**

# LET'S GO TO BASS PRO

1 Bass Pro Drive, Foxbro, MA

Right next to the Patriot's stadium

For those of you who may be new to the Bass Pro cruise night and all other Corvette owners EMCC invites you to join us on April 11th at this year's opening event. Starting at around 3:00 PM until dusk. See picture for our location. Let's get a great turnout to kick off the 2019 cruising season !!!

# SEE YOU ON THE ROAD

As I write this I am feeling kind of excited...today is the first day of spring. It

is almost time to pull off the cover and as Willie Nelson said so well ... "I can't wait to get back on the road again." In some Corvette groups, that I belong to on Facebook, we northern Corvette owners are often kidded because we can't drive 365 days of the year. I guess the reward to me is that every year when I first start up that big powerful engine for the first time I feel like I am getting into a brand new car.

This season I look forward to seeing all of you at many events. There are so many great things happening including the club's 35th anniversary party in August, Thursday club cruises, many cars & coffee events, our Columbus Day event, and so much more. The more you participate the more you will enjoy our very active social club.

Thanks to all who have helped out this month with contributions to the gazette:

President Steve W. with his kickoff words. Also, for the write up on the president's award. With all our special thanks to Steve Sylvia for all he does for our club.

Arne Johnson who is so good at sending in articles for the gazette I can almost set my watch by him. Thanks Arne!

Vice President Mal Smith ... congrats on the retirement and welcome to the club...the retirement club not EMCC. Also, for spreading the word about the Wednesday lunches and letting us all know about the great time at Twin Rivers.

A very special thanks to John Price, president of the Eastern Ontario Corvette Club for his invite to their event next year. I have hopes of attending and as I am updated with information it will be disseminated to the club. For all of you that think it's too far you got your car to drive not just to look at it I hope.

Elaine Kemp at Corvette Mike's for all you do for the Corvette community and for putting together and updating the events list.

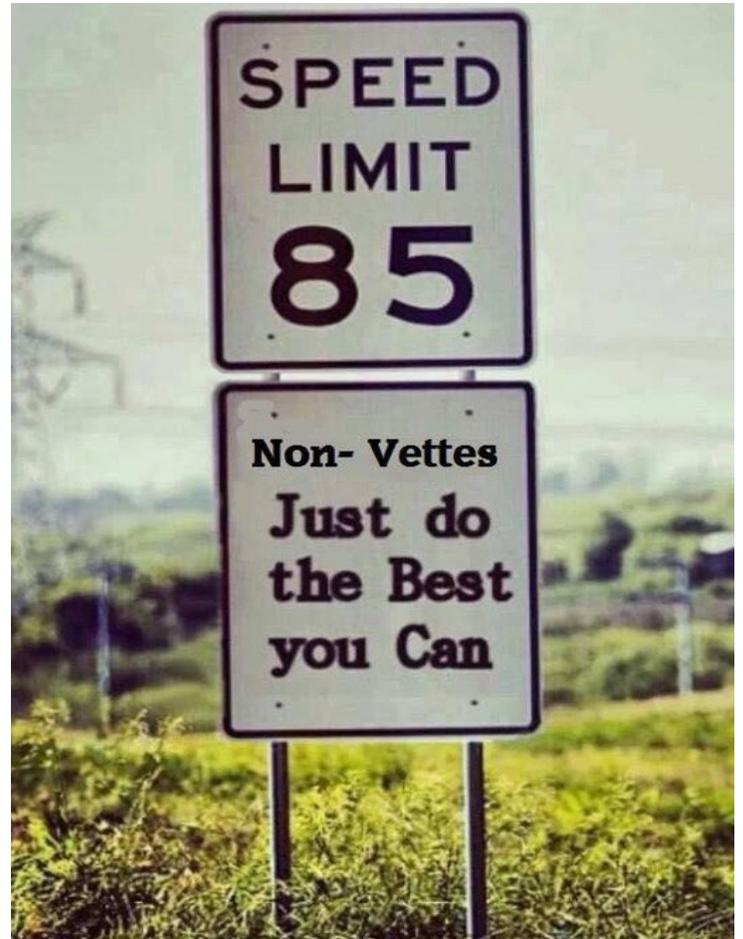

Thanks to Lina Lepore for Last Laughs

Best wishes to all for a safe and fun 2019 cruising season ...

SEE YOU ON THE ROAD .... "KAMERA" KEITH

# LAST LAUGHS

Lolah can't wait for Pinche's wash and shine on April 27 and looks forward to Lolah

Lolah looks forward to seeing EMCC club members at Pinche's wash & shine on April 27th...don't disappoint Lolah,

## Save The Wave
