PREMIUM LEATHER OPTIONS

We travel the world over to source leathers that are unique in color, texture and touch to produce the finest belts. Each leather is tanned and finished to enhance its unique character.

Amazing belts cannot be an off-the-rack purchase. As each belt is bespoke, we tailor fit each belt to you. Precise tailoring can be done during the original crafting or by one of our trained tailors. Personal fitting is as important as the customization of the belt.

ITALIAN NUBUK LINING

and finished in Tuscany, Italy. Gentle sanding and buffing of the leather surface creates its soft luxurious velvet feel.

MTHA HANDCRAFTED

To create a belt that demands attention and praise is a collaboration of so many elements. No single process can be completed without meticulous care and execution. From the selection of the raw hides to the perfected tanning and finishing process to the final stitch, the belt is in the hands of one of our expert craftsmen to ensure the highest standard of quality. All Links & Kings belts are handcrafted in the USA.
