Hello Fellow Realtors,

I am going to share with you a definite marketing advantage that I have that my competitors will probably never be able to copy.

Every 3 months, my company is the only real estate company to have their own professionally designed, custom magazine direct mailed to 1000 personally selected prospective customers and clients in the Jacksonville - Mayport Navy Base area. I am able to do this with a minimal amount of time and with no out-of-pocket expense. Navy to Navy Homes has been partnering with Estate Publishing for more than a year and a half and we are pleased to recommend their services to other real estate / property management companies because they do excellent work, offer a complete marketing program and assure exclusivity in our market.

If you have any questions regarding Estate Publishing, please feel free to contact me.

Best regards,

Mario Gonzalez
