

*Our Recommendation to You:*

We are pleased to endorse Chuck Zitsman and his team at Estate Publishing for the work they have done to create, publish and distribute a high quality, custom magazine for us in Today's Renter.

This premium publication is a unique marketing tool that helps strengthen our company image in the community and build connections with prospective clients by creating an instrument for us to share the latest industry news, knowledge and expertise with landlords and investors each quarter.

Today's Renter has become an important marketing tool for our organization and Chuck and his team have made the process of putting the publication together rather simple. We contribute a few articles each quarter sharing timely news and business best practices relevant to our readers. Additionally, our vendor partners who advertise in the magazine also have the opportunity to contribute articles that benefit their businesses as well.

Suncastle Properties of Ponte Vedra Beach is very pleased with the partnership we have developed with Chuck and his team at Estate Publishing and I'm sure your organization will be as well.

If you have any questions regarding Estate Publishing, please feel free to contact me.

Best regards,
