Preference will be given to CNAs and students pursuing a BSN.**

IMPORTANT

These scholarships are made with the expectation that upon completion of their education, students will apply for and accept employment at Longmont United Hospital in their field of study. If there is not a position available, there is no repayment required. If the student receives the scholarship and leaves Longmont United Hospital employment within one year of receiving scholarship - they will be asked for repayment in full to the LUH Foundation.

Awards are given for tuition assistance only. (i.e. funds will not be given for room and board or books, etc.)

*Applicants must be accepted or enrolled in the healthcare program in your field of study and all prerequisite course work must be completed before any scholarship funds are disbursed. *Award decisions will be made solely at the discretion of the LUH Foundation's Scholarship Committee, and are final.
