## **APPLICANTS DECLARATION**

On signing of a lease, we require one months rent in advance and five weeks rent as a deposit. This deposit will be returned to the tenant at the end of the tenancy, minus any deductions made for damages or other expenses incurred as a result of the tenants actions.

A guarantor may be required in some circumstances. Rent must be paid each month by standing order, which YOU will be responsible for setting up.

This application does not form a tenancy agreement and therefore please do not arrange removals, etc, until one has been issued. Fielding Properties will not be held liable for any expenses incurred.

All properties are let "As Seen" and no further refurbishment, decoration or any other work will be carried out unless specifically agreed otherwise by Fielding Properties and confirmed in writing.

All information given on this form will be used only for the purpose of ascertaining your suitability of renting property. Any supporting documents or copies of documents sent with this application form will be securely destroyed within 12 months of the tenancy terminating.

A holding deposit of one weeks rent is required with each tenancy application, which will form part of the five weeks security deposit due on signing the lease.

A property will not be withdrawn from the market until this is received.

A holding deposit will be forfeited if -

- · The tenant withdraws
- The tenant does not take all reasonable steps to enter the tenancy
- The tenant fails a right to rent check
- The tenant omits information or provides misleading information which materially affects their suitability to rent the property

(Please note - Monthly rent multiplied by 12, then total divided by 52, equals rent per week.)

Holding Deposits must be transferred to -
