The Village of Game Changers

Welcome to The Village of Game Changers, where community, innovation, and opportunity come together under one vision. Our mission is simple: to create a space where every individual—whether a child learning their first skill, a teen discovering their passion, or an entrepreneur building their future has the tools, guidance, and environment to thrive.

This publication is your gateway to everything happening in our village. Inside, you'll find stories that celebrate local heroes, showcase businesses making an impact, highlight athletes and changemakers, and provide a front-row seat to events and programs that enrich our community.

Whether you're a resident, a supporter, or someone looking to get involved, this magazine and our accompanying directory are designed to connect you to the heart of what makes our village truly special.

At The Village of Game Changers, it's not just about programs or events—it's about fostering a culture of growth, collaboration, and empowerment. We invite you to explore, engage, and become part of the movement shaping the future of our community.

Follow Us and Stay Connected! The Village of Game Changers.

As we prepare to launch our Game Changers Founders Network, we're looking for individuals and organizations with a vision for legacy, impact, and community building across Central Texas.

We're actively seeking connections to community-minded leaders in a few key industries who want to be part of something transformative.

If you work in or have strong connections to any of the following industries, we would love to hear from you:

- *Banks / Credit Unions (CRA programs, community investment)*
- *Healthcare systems (mental health, family wellness, youth support)*
- *Real estate developers / builders (community anchor projects)*
- *Major corporations (grocery, tech, manufacturing, service firms)*
- *Philanthropic families / family foundations*
- *Education & workforce organizations*
- *Investors / Impact funds (equity or hybrid opportunities)*

We're inviting select partners to help support six powerful community programs now and to be part of the legacy that will live on through our flagship facility.

If this is you, or someone in your circle, let's connect. A quick intro can spark a major legacy for families, youth, and communities across the region.

HELP US IN THE SEARCH...

We are looking for **EXTRAORDINARY KIDS** living their best lives.

We believe they deserve to be **recognized, honored and rewarded!**

The **Game Changer Network** was created to shine light on the amazing people who are doing extraordinary things.

The co-ed soccer and flag football leagues are designed for boys and girls of all skill levels, spread across multiple locations in Central Texas. Committed to create an engaging and enjoyable experience for everyone within a learning, supportive and recreational atmosphere.

NOMINATE AN EXTRAORDINARY KID!

Here are some good qualifications to consider when nominating an athlete for "Athlete of the Week," it's important to consider a variety of qualifications that highlight their performance, sportsmanship, relationships and impact on their team or community.

1. **Outstanding Performance:** Look for athletes who have achieved exceptional results in their competitions, such as breaking records, achieving personal bests, or leading their team to victory.
2. **Consistency:** An athlete who consistently performs well over time, rather than just having a single standout performance, may be more deserving of recognition.
3. **Leadership:** Consider athletes who demonstrate leadership qualities, whether on or off the field. This can include motivating teammates, showing good sportsmanship, or contributing positively to team dynamics.
4. **Improvement:** Recognize athletes who have shown significant improvement in their skills or performance compared to previous weeks or seasons.
5. **Community Involvement:** Athletes who engage in community service, volunteer work, or mentorship programs can be strong candidates, as they demonstrate a commitment to making a positive impact beyond their sport.
6. **Overcoming Adversity:** Athletes who have faced personal challenges, injuries, or other obstacles and have still succeeded can be particularly inspiring and deserving of recognition.
7. **Academic Achievement:** Students who excel academically while also competing at a high level in sports may be noteworthy candidates, highlighting the importance of a well-rounded individual.
8. **Team Contributions:** Highlight athletes who significantly contribute to their team's success, whether through scoring, assists, defensive plays, or other key roles.
9. **Recognition by Coaches or Peers:** Sometimes, nominations can come from coaches or teammates who recognize an athlete's hard work and dedication behind the scenes.
10. **Sportsmanship:** Athletes who consistently display good sportsmanship, respect for opponents, and positive behavior can set a great example and deserve to be acknowledged.

Local VENDORS

SPOTLIGHT

Behind every small business is a story- a person with a vision, a talent they've spent years developing, and the courage to share that gift with the world. Our Local Vendor Spotlight celebrates those individuals who bring creativity, passion, and personality to our community through their work.

These vendors represent the spirit of entrepreneurship that keeps our local economy vibrant and our gatherings unique. From handcrafted goods and specialty products to creative services and family-owned brands, each business adds its own flavor to the experience. When you visit their booths, you're not just shopping- you're meeting the people behind the passion.

Creating space for small businesses to thrive is an important part of building a true village. Events like these provide a welcoming environment where entrepreneurs can showcase their work, connect with new customers, and grow their presence within the community. It's a place where creativity is celebrated and where relationships between neighbors, makers, and supporters naturally form.

For guests, the Vendor Marketplace becomes the cherry on top of the event. It invites you to slow down, explore, discover something new, and meet the incredible individuals who make our community so special.

Because when we support small businesses, we're doing more than making a purchase- we're investing in dreams, strengthening local connections, and helping our village continue to grow.
