# Christian Discipleship Castle Training

## M'Cheyne's Bible Reading Plan

“. . . reading of the Word omitted.  
What plant can be unwatered and not wither?”

R.M. M'Cheyne

Dear Christian Discipleship Castle Friends and Family, One of the means God uses to feed our souls is through God-centered, Christ-exalting, Spirit-empowered worship services on the Lord's Day. Honoring the Lord's day will help you fulfill your purpose for living, "to glorify and enjoy God". Worship: Personal, Family and Corporate (as your Christian Discipleship Castle Training has taught you), also will ignite your one holy passion: "To Glorify God by Knowing Christ Intimately & Making Him Known Fearlessly."

A God-centered priority on worship, discipleship and evangelism will give you the Biblical wisdom and vision to serve our American and international communities. Our prayer is that we may serve these two distinct peoples with warm Christian hospitality, bold (yet respectful) witnessing of the gospel and kingdom focused discipleship, remembering to "nutrify, detoxify & energize" the soul as well as the body, as we obey the "Great Commission" and fulfill the "Cultural Mandate".

By God's grace, we desire to co-labor with our Lord Jesus Christ in extending His kingdom on earth as it is in heaven (Matthew 6:10, the "Lord's Prayer"). He is the real King of everything (spirit & body, soul & cell)! We pray the fruit of this "Kingdom Discipleship" will result in the godly transformation and cultural reformation of individuals, families & nations, all to the glory of God (visit [www.healthforalllife.com](http://www.healthforalllife.com) for physical & spiritual help).

One of the best ways to succeed in "Kingdom Discipleship" is to make sure you and your family are daily nourished by God's Word. This is why every Christian family needs a Bible reading plan. The one we are giving you was developed over one hundred years ago by the godly Scottish Presbyterian minister, Robert Murray M'Cheyne.

This plan is designed to provide systematic Bible readings for both private and family worship. Using this plan, in only one year, you can read through the entire Bible once and the New Testament and Psalms twice. Remember, every man dies but not every man really lives. So, let's really live by reading God's Word & glorifying God together!

Solo Christo, Semper Reformanda, Semper Fidelis,  
Pastor Jack Campbell
