

Christian Discipleship Castle Training

TRAINING OVERVIEW

The Castle Blueprints

This training overview will give you the blueprints needed to build the **Christian Discipleship Castle**, a fun and memorable illustration that will help you construct a Christian worldview that is Bible-based, and God-centered. The training offered in the **The Castle** is given in five modules. Modules #1-3 are student focused and modules #4-5 are designed for teachers/disciple-makers.

(All "disciple-makers" must complete modules #1- 3)

The education you will receive in the **The Castle** is designed to ignite a passion to glorify God by knowing Christ intimately and making him known fearlessly. **The Castle** is a practical ministry tool to help you *(and generations after you)* do this. Our prayer is that this training will help you know, remember and consistently put into action God's Word, in every area of your life.
