Dear

**INVITATION TO THE FOUNDATION LAYING CEREMONY AND  
FUNDRAISING FOR THE AGLOW INTERNATIONAL NIGERIA  
NATIONAL CENTRE**

Grace and peace be multiplied to you in the name of our Lord Jesus Christ.

On behalf of Aglow International Nigeria, I am delighted to invite you to t the **Foundation Laying Ceremony and Fundraising for the Aglow International Nigeria National Centre**, scheduled to hold on **Saturday, 4th July 2026, at 10am along Zaramaganda Railway line (East)**

Aglow International is a global, interdenominational Christian women's ministry founded in the United States in 1967 and now active in over 170 nations. For more than three decades, Aglow International Nigeria has been dedicated to bringing women and men into a deeper relationship with Jesus Christ and equipping them to become transformational leaders in their families, communities, workplaces, and the nation. Through prayer, discipleship, leadership development, outreach programmes, and strategic initiatives, Aglow has consistently empowered women spiritually, economically, emotionally, and socially, helping them discover and fulfil God's purpose for their lives.

Aglow International Nigeria is a self-funded organization with presence in all 36 states of the Federation and the Federal Capital Territory. Since Aglow's Nigeria National Headquarters is located in Jos, Plateau State, the ministry has embarked on the construction of a permanent National Centre in Jos. This landmark facility will serve as the national headquarters and provide a hub for Leadership Development, Conferences, Training, Retreats, and Empowerment Programmes that will strengthen Aglow's impact across Nigeria and beyond.

Today, we stand at the threshold of a historic milestone. God has graciously opened doors for the establishment of a permanent National Centre that will serve generations to come. This landmark facility will house:

- The **National Headquarters of Aglow International Nigeria**
- A modern **Conference and Training Centre** for leadership development, prayer gatherings, and Kingdom initiatives
- A **Skill Acquisition and Empowerment Centre** dedicated to equipping women, youth, and communities with practical skills and opportunities for economic advancement

This project is far more than a building. It is a strategic investment in people, families, communities, and the future of our nation. It is a place where lives will be transformed, leaders will be raised, women will be empowered, and Kingdom impact will be multiplied for years to come.

As we gather to lay the foundation of this vision, we humbly invite you to partner with us through your presence, prayers, and financial support. Your contribution will help turn this God-given vision into a reality and create a lasting legacy that will continue to bless countless lives.

We are deeply grateful for the many ways God has already used you in advancing His Kingdom. Through your generosity and commitment, lives have been touched, communities have been strengthened, and hope has been restored. By supporting this project, you will be helping to expand God's work, empower women to fulfil their divine destinies, and contribute meaningfully to the building of a stronger and more prosperous Nigeria.

We believe that the One who supplies seed to the sower will richly bless every sacrifice made towards this vision. Together, we can build a centre that will serve as a beacon of faith, empowerment, leadership, and national transformation.

We look forward to welcoming you on this special occasion and partnering with you in what God is doing through Aglow International Nigeria.
