Smart Home Solution

Your Gateway To The Future

4/F, Bldg. 7, Jianghao
Technology Park Bantian Street
Shenzhen, China

SINCE 2009

About Us

Dear Valued Customer,

For over 15 years, Giimake Technology has pioneered security innovation. We're thrilled to introduce our 2025 Collection—smarter, sleeker surveillance solutions designed to empower your success.

- ✓ Mini Wireless IP Cameras: 4K clarity + AI motion tracking
- ✓ Hidden Cameras: Discreet vigilance with cloud intelligence
- ✓ Mini WiFi Cameras: Effortless plug-and-play protection

With a 100+ expert team and cutting-edge R&D, we deliver OEM/ODM excellence: scalable solutions, tailored firmware, and global compliance.

Let's build the future of security together. Reach out today to discuss orders, samples, or custom projects.

Inspired by your trust,

Yommi Lee
CEO, Giimake Technology

Innovation Guarding Your World
